

Halifax FC: Frequently Asked Questions (FAQ)

1. What is Halifax FC?

Halifax FC is a newly established Performance Pathway Soccer Club resulting from the collaboration of Halifax City Soccer Club and Halifax Dunbrack Soccer Club. It brings together the best of both clubs to create a better experience for players participating in this pathway.

2. When was the collaboration between Halifax City SC and Halifax Dunbrack SC announced?

The collaboration between Halifax City SC and Halifax Dunbrack SC was officially announced on September 5th, 2023, marking the beginning of the exciting journey of Halifax FC.

3. Why did the two clubs decide to collaborate?

The decision to collaborate was driven by the shared vision of creating an improved and consistent performance pathway (AAA/AA) soccer entity that can provide enhanced opportunities for players, coaches, and the community as a whole. By pooling resources and expertise, Halifax FC aims to achieve greater success on and off the field.

4. Will the club's name and colors change?

Yes, the merged club will be known as Halifax FC. The club's colors and logo will likely undergo a redesign that combines elements from both former clubs, representing the unity and strength of the collaboration.

5. What age groups will Halifax FC cater to?

Halifax FC will offer soccer programs for U13-U18 AAA/AA Programs.

6. How do I register for Halifax FC teams?

For the indoor season 2023/24 HFC players will register through their parent clubs. In each registration portal you will be able to register for either AA or AAA and then there will be a trial process to form teams leading into the Winter season.

7. What will be the program cost?

We are working to finalize the cost of programs for the AA Winter and AAA Annual seasons. We should have a finalized cost by September 8th.

8. Will there be open trials for players looking to play at the AAA/AA level at HFC?

Absolutely! Both HCSC and HDSC will be working together to identify players in the current systems to be recommended to Halifax FC's programs. In addition, there will be an opportunity for an open trial process for current Halifax City SC and Halifax Dunbrack players who wish to potentially be identified for programs under Halifax FC. Our priority is to improve the performance pathway for both existing clubs' memberships.

Keep an eye out for announcements on dates for open trials and further information on the process.

9. What happens if my child is not selected for a Halifax FC program/Isn't interested in AAA/AA programs?

Both HCSC and HDSC will continue to offer community and recreational programs between the ages of U13 - U18 (A/B). Players who are not selected or not interested will have the opportunity to continue to play at their home club.

10. How will the coaching staff be selected for Halifax FC?

The coaching staff for Halifax FC will be carefully selected based on their expertise, experience, and commitment to player development. Both former clubs' coaching will be considered as well as a process for coaches to apply for coaching positions. Halifax FC will use an established process to ensure the best individuals will be chosen to lead the various teams within Halifax FC.
