

# Highland Soccer League – Summer 2024 – Referees

## Referee Fees

Divisions-Group	Referee	Assistant Referee
U13 A	\$34	\$24
U11 SC	\$40	

Referee fees are expected to be paid at the field unless the home club and local referees have agreed to a different method of payment. In the case of an official being a 'travel referee' from out of town, the home team must pay the official at the field.

## Referee Travel

### Referee Travel Fees

SNS has posted that travel will be paid at a rate of \$38 for one official, \$12 for a passenger (2nd official) traveling from either Antigonish to New Glasgow or Truro to New Glasgow (these should be the only travel situations).

### Travel Fee Scenarios

Case 1 - Single official - \$38

Case 2 - Second official in same vehicle as other official - \$12

Case 3 - Second official in second vehicle - \$50 split between the 2 officials

Case 4 - Third official in one of the 2 other vehicles - \$12 (no allowance for travelling alone)

*\* it is not expected that the situation will arise where 3 travelling officials are required and would each travel in their own vehicle.*

### Payment Method

Travel fees for officials are to be paid at the field by the HOME team. For any neutral site game the team scheduled as the home team must pay the travel fees.

Each travelling official needs to be paid separately. This means the home team will need to have cash in currencies broken down enough to pay out fees listed for scenarios listed above. For example, if the referee and 1 assistant referee travel together, payouts of \$38 and \$12 would be required (e.g. 4 x \$10 bill, 1 x \$5 bill, 2 toonies and 1 loonie).

### Communication

When an assigner is required to assign out of town officials that will require travel fee payment, the assigner must contact the league administrator at least 24 hours prior to game time, and the league administrator will then communicate the details (total travel fees for the game) to the official home team contact as provided by each club so the home team can be prepared to have the required fees at the field.
