

## COACH / STAFF REGISTRATION

If you are going on the ice this season you will need to register in RAMP for insurance purposes. This includes **Coaches, Trainers, Safety, Junior Coaches AND On-Ice Volunteers**. Team Managers and Board Members are also required to register through RAMP.

### What you need to register:

ALL Coaches, Trainers, Safety, Junior Coaches over the age of 18 and On-Ice Helpers are required to take their **Respect in Sport Activity Leader Certificate** which can be obtained from the following website: <https://ha.respectgroupinc.com/>

- You must complete the course and have the RIS Activity Leader certificate number in order to complete the Coach/Staff Registration. This course must be renewed every 4 years.

### Required but not needed to complete RAMP Registration:

These items are required by all team officials including but not necessarily limited to coaches, trainers, managers, board members and any others who may work directly with the players.

- **Criminal Record Check (CRC) or Vulnerable Sector Checks (VSC)** must be completed in order to coach. CRC/VSC is valid for 3 years. Authorization letters are only needed for Criminal Record Checks at our RCMP detachment and are available from Lindsay Descheneau at 780-817-8986.
- **Intervention Check (Child Welfare Check)** must be completed each year in order to coach. A Child Welfare Check does not need an authorization letter and can be done at FCSS - downstairs at the town office. Please allow ample time for these checks to be completed as the processing time has increased since last season.

**These MUST be completed and uploaded into your RAMP profile by October 30<sup>th</sup>.**

### Here are the steps to register:

1. Login to your Ramp family account. <https://www.rampregistrations.com/login?v3=931f33e619>
2. Select Coach/Staff registration
3. Choose a family member (this is you, not your child – add yourself as a member if you are not already listed). Make sure address & contact information is correct.
4. Enter a valid Respect in Sport Coach Certificate number.
5. Choose preferred division, Select a role (Coach, Assistant Coach, Manager). Continue.
6. CRC/VSC / Intervention Check: You can continue past this step at this time if you do not have the completed check done at time of registration, **however, these MUST be completed AND uploaded into your RAMP profile by October 30**. Failure to do so will result in your inability to be rostered and therefore you will no longer be able to coach. If you have a newly completed CRC, please enter the completed date and upload a copy of the form. If you have a valid CRC, please enter the date completed. No need to upload the picture. Registrar has copies on file. Intervention Check-please enter completion date and upload.
7. Certifications: Please check off certifications you hold and dates courses were completed. To look up your certifications, go to <https://ehockey.hockeycanada.ca/ehockey/Account/Login.aspx> Continue
8. Indicate if you are interested in coaching any additional divisions
9. Confirm details and edit information if necessary. Submit registration.

If you have any questions regarding the online registration, please contact Loralie at 780-817-4842 or email [registrar@hintonminiorhockey.com](mailto:registrar@hintonminiorhockey.com)

Please see attached Hockey Alberta's Coaching Requirements table on the following page.

**Coach 1** is required to coach Initiation and Novice, as well as the online Safety Course. You'll note for Initiation and Novice Hockey AB states that 1 coach per 10 players **MUST** have the Coach 1 and Safety but HMHA is recommending it for all coaches. This way if someone is away, we are still meeting the requirements.

**HU - Planning a Safe Return to Hockey - NEW IN 2020-21:** All Head Coaches are required to take the HU - Planning a Safe Return to Hockey course. This a free 20-minute online program which looks at key information coaches and associations need to know in order to help reduce the risk of COVID-19 in the hockey environment. This course can be found on Hockey Canada's eHockey website. <https://ehockey.hockeycanada.ca/ehockey/ClinicList.aspx?oid=4>

If you are a second year Novice coach and plan to coach again in Atom you are welcome to take the Coach 2 and Checking Course this year if you already have Coach 1. Just as an FYI, if you have Coach 2 but not Coach 1, you still require Coach 1 to coach Initiation and Novice Levels as it covers information not included in the Coach 2 course. You can sign up for these courses using the links provide below.

Hinton Minor hockey will reimburse you for taking anyone of these three courses. Please contact [treasurer@hintonminorhockey.com](mailto:treasurer@hintonminorhockey.com) for details.
