Leagues and MHAs shall follow all Bylaws and Regulations of Hockey Canada and Hockey Alberta and the Alberta One Operating Directives, Regulations Policies & Procedures.

  - I. Split Tiers based on geography will be labelled as South, North, East or West. (Example: Tier 3 North or Tier 3 South).
  - II. Split Tiers based the number of teams will be labelled as Red, Blue, Black, etc... (Example: Tier 3 Red and Tier 3 Blue).
  - III. Split Tiers shall not be labelled as A, B, C D. (Example: Tier 3 A, Tier 3 B, Tier 3 Cm etc...)

### MINOR FEMALE LEAGUES

## CLASSIFICATION OF TEAMS

### MINOR LEAGUES

MHAs shall submit the approximate number of teams they will have in each division to their League by September 10 each year.

Leagues shall determine a date for MHAs to declare initial team placement by tier, using the Alberta One Standardized Tiering Grid. Teams shall be declared as per the Tiering Grid on a date as determined by the League. League members may request to have a team moved to a higher category than what is required by the Alberta One Standardized Tiering Grid. These requests, with rationale, must be submitted to the League on a date as determined by the League.

***Please see Appendix A: Alberta One Standardized Minor Tiering Grid for the full grid.***

- I. MHAs shall include all teams registered in their association at that division (excluding Elite, AA and Minor Female teams) when declaring teams as per the Alberta One Standardized Tiering Grid.
- II. When an MHA is required to, or requests to have more than one (1) team at a certain tier, those teams shall be equally blended and balanced.
- III. Upon application to the League, an MHA may be permitted to have two (2) or more equally blended and balanced teams at the same tier, instead of utilizing top-down tiering and having teams ranked strongest to weakest. These teams shall be placed on the Alberta One Standardized Tiering Grid at the median tier that any of these teams would have been placed at had they not chosen to be divided equally. Applications must be submitted to the League by September 10.

**Example:** An MHA chooses six (6) teams to be placed according to the Alberta One Standardized Tiering Grid. The MHA chooses to have three (3) ranked teams and three (3) equally blended and balanced teams. According to the Tiering Grid, the three (3) equally blended and divided teams should have been placed at Tier 4, 5 and 6 if they had been ranked. Consequently, those three (3) equally blended and balanced teams will be classified as Tier 5 teams, which is the median tier that any of these three (3) teams would have been placed at, had they been ranked.

- IV. Minor Female teams participating in a Minor Tiered League will not be declared per the Alberta One Standardized Tiering Grid but will have their initial team tiering placement and final tiering determined by the respective Minor Tiered League.
- V. Leagues will have the ability to move equally blended and divided teams to different tiers should it become apparent that they are either too strong or too weak for the tier that they have been placed in. This may include splitting the teams into different tiers.

### NON-BODY CHECKING/ BODY CONTACT ONLY TIERS

- I. MHAs who only operate one (1) team within a division that has both body checking and non-body checking tiers, will be given the one-time declaration at the start of each season to declare that team as either 'body checking' or "non-body checking". This declaration must be made to the League on a date as determined by the League.
- II. League members with two (2) or more teams within a division that has both body checking and non-body checking tiers, must declare their teams as 'body checking' and "non-body checking" as per the Alberta One Standardized Tiering Grid.
- III. For the purposes of tiering, should a team declared for body checking wish to move to non-body checking after their tiering round games, they shall be able to do so prior to the completion of the Tiering Rounds.

## MINOR FEMALE LEAGUES

MHAs shall submit the approximate number of teams they will have in each division to their League by September 10.

- I. All Leagues shall determine a date for MHAs to declare initial team placement by tier.
- II. MHAs shall include all teams registered in their association at that division (excluding AA & AAA Female teams) when declaring teams.
- III. When an MHA is required to, or requests to have more than one (1) team at a certain tier, those teams shall be equally blended and balanced.
- IV. Leagues will have the ability to move equally blended and divided teams to different tiers should it become apparent that they are either too strong or too weak for the tier that they have been placed in. This may include splitting the teams into different tiers.

## TIERING & TEAM PLACEMENT

- a. Leagues shall schedule teams to take part in tiering games to determine the final tiering placement within the League.
- b. Leagues shall ensure that teams play a minimum of (4) tiering games before their final tiering placement is confirmed.
- c. Leagues shall have a process for confirming final team placement by analyzing pre-season and tiering game data. The purpose of this process is to create a balanced competition and to represent the best interests of all teams with the League in an impartial manner.
- d. Any challenges related to the final tiering placement of a team shall be heard by the League, under the following process:
  - I. Upon the communication of a team's tiering placement, an MHA will have 24 hours to file a challenge with the League. The challenge must be made by either the Association President or MHA Representative.
  - II. The League will review the challenge and the information presented and decide to accept or deny the challenge. Information that should be presented in the challenge includes:
    - The results of all tiering round games, along with the tiering placement of the teams tiering round games took place against.
    - Rationale to support the challenge, along with the tier the team should be placed in.
  - III. The League will have up to three (3) days to render a decision once the challenge is filed.
- e. All tiering placements must be finalized by January 1.
- f. Should it become apparent that there was an error in team placement that results in a team being too strong or weak for a certain tier, the League can move that team appropriately on or before January 15. Should that team who is too strong or weak for a certain tier refuse to be 're-tiered', the League, in consultation with the Minor Leagues Committee or Minor Female Committee, may disqualify them from further League play, including playoffs and Hockey Alberta's Provincial Championships.

## PLAYING RULES

The Alberta One playing rules shall be those provided in the Hockey Canada Official Playing Rules Book.

## LEAGUE MEETINGS

Leagues are empowered to call Information Meetings as required and are encouraged to communicate the dates of these meetings to the members no less than (14) days prior to the meeting date.

In addition to Information Meetings, Leagues shall host the following three (3) meetings:

- i. Pre-Season / Kick-Off Meeting.
- ii. Mid Season or Tiering Meeting
- iii. Annual General Meeting

All meetings will normally be held virtually via Video or Web Conferencing or 'in person' at a location central to the League.

MHA Representatives, as appointed by the MHA, should be board members and must be present at all League Meetings. If the MHA Representative is unable to attend, another board member from that MHA must attend in their place.

Leagues are permitted to fine MHAs in the amount of \$200 payable to the League should they fail to present themselves at any League Meeting.

## ROSTER SIZE

Hockey Canada and Hockey Alberta Regulations allow tiered minor hockey teams to carry a roster of 19 players (17 skaters and two (2) goaltenders).

Hockey Alberta, through consultation with the League, may grant permission to register at one time, an oversized team, a maximum of twenty-three (23) players to their roster.

- i. Applications must be made via the Hockey Alberta Oversized Team Request Form.
- ii. All players must be properly registered in the Hockey Canada Registry (HCR) system prior to their first League Game (includes Tiering Games) or November 15<sup>th</sup>, whichever occurs first.

## AFFILIATION

The purpose of affiliation is to provide an opportunity for higher Division or Category/Tier Teams to replace when regular registered players are sick, injured or otherwise unavailable.

A Hockey Team may affiliate up to nineteen (19) Players from a lower Division, Category or Tier within their MHA as hereby defined.

**Minor Female Exception:** When an MHA does not have a Minor Female team at the next lowest division or category, the MHA may place a request to the Minor Female Committee asking to be permitted to affiliate a player(s) from a lower Division or Category Minor Female team from a nearby MHA.

Please refer to the Hockey Alberta Minor Regulations and Minor Female Regulations for the complete Affiliation Regulations.

**HOCKEY ALBERTA MINOR REGULATIONS CAN BE FOUND [HERE](#)**

**HOCKEY ALBERTA MINOR FEMALE REGULATIONS CAN BE FOUND [HERE](#)**

### PROCEDURE

- i. Affiliation must be declared and filed with the MHAs respective League, prior to the affiliated players being allowed to participate in any League game with the Hockey Team to which they are affiliated.
- ii. Leagues and the Hockey Alberta reserve the right to revoke the approval of an affiliate player at any time should that player be deemed to strengthen the team in which he or she is affiliated.
- iii. Providing Affiliation has been declared, filed and approved with the League and Hockey Alberta, Affiliates are eligible to participate in all Exhibition, Tournament, League, Playoff and Provincial Championship games.
- iv. Affiliated players will NOT be permitted to replace suspended Players.

**Exception:** In the event a team's roster falls below twelve (12) registered skaters (excluding goaltenders) due to suspensions, teams are permitted to use affiliation to return their roster size to a maximum of twelve (12) skaters (excluding goaltenders)

### MINOR LEAGUES

- i. Affiliation and the use of Affiliate Players will only be recognized where Affiliation has been filed in accordance with the following tiering grid, as hereby defined vertically and laterally, using the team's designated tiering placement at the time of filing.

<b>U18</b>			
Tier 1	<b>U15</b>		
Tier 2	Tier 1	<b>U13</b>	<b>U11</b>
Tier 3		Tier 1	HADP
Tier 4	Tier 2		
Tier 5	Tier 3		
Tier 6	Tier 4	Tier 2	
	Tier 5	Tier 3	Tier 1
	Tier 6	Tier 4	Tier 2
		Tier 5	Tier 3
		Tier 6	Tier 4
			Tier 5

**Example:** Team A plays in the U18 Tier 3 category of their league. Team A would be eligible to affiliate players from within their MHA playing on teams competing at U18 Tier 4, 5 or 6; as well as teams playing U15 Tier 1, 2, 3, 4, 5 or 6.

**Exception:** If an MHA does not have access to Team(s) that align with the tiering grid), they may be able to apply to Hockey Alberta through the Minor Leagues Committee, or designate, for special permission to register affiliate(s) outside of the grid.

- ii. Upon the finalization of tiering, should a team be re-tiered after the filing of Affiliation and had affiliates that are no longer in compliance with the affiliation grid, those affiliates will be reviewed by the League to determine their individual eligibility for the remainder of the season.
- iii. Should the League deem individual affiliates as ineligible due to re-tiering, upon application to the Hockey Alberta appointed Minor League and Minor Administration Coordinator, Hockey Alberta may allow teams to re-submit individual affiliation requests to become compliant with the affiliation grid. Applications must be received no later than December 30 of the current hockey season.
- iv. Teams are permitted to use affiliation for any League, Playoff or Provincial Championship game to return the team to their original roster size.

**Example:** A team has 14 skaters and two (2) goaltenders registered to their Official Team Roster for a maximum of 16 players. Should two (2) skaters be unavailable due to sickness or injury, the team would be permitted to use two (2) affiliates to bring their roster size back up to the original 14 skaters and two (2) goaltenders.

**Exception:** In the event a team’s original roster size is less than twelve (12) registered skaters (excluding goaltenders), teams are permitted to use affiliation for any League, Playoff or Provincial Championship game to bring their roster up to a maximum of twelve (12) skaters (excluding goaltenders).

**Exception:** In the event a team has only one (1) registered goaltender, they will be permitted to use affiliation to have for any League, Playoff or Provincial Championship game to bring their roster up to a maximum of two (2) goaltenders.

- c. The League, after ensuring completion, will submit the investigation package (game sheet, all write ups, offender statement and recommendation of discipline) to the respective Regional Service Area Discipline Coordinator.
- d. After reviewing the file to ensure completion, the Minor Discipline Coordinator will submit the file to the Hockey Alberta Office for review by the Minor Discipline Chair.
- e. Review of the incident will take place by the Minor Discipline Chair and a final decision on the length of suspension will be rendered to the player, MHA, League and Regional Service Area by the Hockey Alberta Office on behalf of the Minor Discipline Chair.

## SUPPLEMENTAL DISCIPLINE

Leagues will have a policy on supplemental discipline related to the accumulation of penalty minutes over the course of a hockey season. Each League will determine the appropriate thresholds based on division, number of games and length of games; however, suspensions under supplemental discipline for penalty minute accumulation will be as follows:

Threshold	Suspension Length
1	One (1) Game
2	Two (2) Games
3	Four (4) Games
4	Eight (8) Games

### MINOR FEMALE

- a. Players who reach Threshold 1 due to the accumulation of penalty minutes by the end of the League Regular Season, will have their penalty minutes carried over into the League Playoffs for continued tracking and accumulation.
- b. Players who receive a suspension due to the accumulation of penalty minutes that carries over into the Hockey Alberta Provincial Championships, will be required to serve the suspension at the start of the event. However, the tracking and accumulation of penalty minutes will not be tracked at the Provincial Championships.
- c. Players who do not reach Threshold 1 by the end of the League Regular Season, will not have their penalty minutes carried over into the League Playoffs and tracking and accumulation will be stopped.

- d. Leagues shall be responsible for the ongoing monitoring of penalty minute accumulations and will be responsible for warning any teams and players who are approaching or trending towards a given threshold.

## GAME PROTESTS

- a. Only the two teams involved shall have the right to file a protest over a game or incident connected therewith.
- b. Referees are in care and control of the game. As such protest will not be accepted when a referee has exercised their judgement in officiating the game or their interpretation of the rules.
- c. Upon receipt of the protest, the League will appoint a neutral, unbiased committee to hear the protest.
- d. Protests and all supporting evidence must be submitted to the League by the MHA President within 48 hours of the game protested. All documentation must be accompanied by a cheque or money order, payable to the League, in the amount of \$300.
- e. All protests require that the League contact the member association submitting the protest and the Manager of the team being protested against.
- f. If the committee (whose decision shall be final) dismisses the protest, the sum deposited with the protest will be forfeited to the League.
- g. Protest decisions are final.

## APPEALS

League rulings or decisions, except for protest decisions, may be appealed using the following procedures:

- a. Upon receipt of the appeal, the League will appoint a neutral, unbiased committee to hear the appeal.
- b. Appeals and all supporting evidence must be submitted to the League by the MHA President within seven (7) days from the League ruling. The appeal must be accompanied by a cheque or money order, payable to the League, in the amount of \$300.
- c. An appeals hearing shall be held within seven (7) days of receiving the appeal and will follow Hockey Alberta rules for such hearings.
- d. A decision on the appeal shall be rendered within seven (7) days from the date of the appeal hearing.
- e. League decisions upheld through appeal may be appealed to Hockey Alberta.

**Note:** Appeals will not be heard for any referee decision resulting in a suspension in accordance Hockey Alberta's Minimum Suspension Guidelines.

## POINT FORMAT

Points for wins and losses for the League will be awarded on the following basis:

- Two (2) points for Regulation win or Overtime win.
- One (1) point for Regulation tie, Overtime loss or Overtime tie.
- Zero (0) points for a Regulation loss.

## TIEBREAKERS

The following procedure shall take place to determine Final Regular Season Standings in the event teams are tied following the Regular Season Schedule:

### If two (2) teams are tied:

- The team with the most wins in the Regular Season in games played between the two (2) tied teams.
- If still tied, the team with the most wins during the Regular Season.  
**Note:** Should the two (2) tied teams play an unequal number of Regular Season games, this rule will not apply. Please proceed to step c.
- If still tied, the team with the highest points percentage. Points percentage will be determined using the following formula: **Points / Total Possible Points to be earned X 100 = Points %**

**Example:** Points Earned (PE) = 18      Total Possible Points (TPP) = 28

$$\frac{PE}{TPP} = \frac{18}{28} = \frac{0.643\%}{x 100} = 64.3\%$$

**Note:** To calculate total possible points, take the number of games played at the end of the regular season and multiply by two (2). Example: 14 games played x two = 28 total possible points.

- If still tied, the team with the highest goal ratio. Goal ratio will be determined using the following formula: **Goals For / (Goals For + Goals Against) X 100 = Goal Ratio %**

**Example:** Goals For = 56      Goals Against = 44

$$\frac{GF}{GF + GA} = \frac{56}{100} = \frac{0.560\%}{x 100} = 56.0\%$$

- If still tied, the team with the fewest penalty minutes per game average. Penalty Minutes per game average will be determined using the following formula: **Total Regular Season Penalty Minutes / Number of Regular Season Games played = Penalty Minute average per game.**

**Example:** Regular Season Penalty Minutes = 115

Regular Season Games = 18

$$\frac{PIMS}{Games} = \frac{115}{18} = \frac{6.39}{Average}$$

- If still tied, a coin toss shall take place by the League.

### If three (3) or more teams are tied:

- The team with the most wins during the Regular Season.  
**Note:** Should the three (3) or more tied teams play an unequal number of Regular Season games, this rule will not apply. Please proceed to step b.

- b. If still tied, the team with the highest points percentage. Points percentage will be determined using the following formula: **Points / Total Possible Points to be earned X 100 = Points %**

Example: Points Earned (PE) = 18      Total Possible Points (TPP) = 28

$\frac{PE}{TPP} = \frac{18}{28} = 0.643\% = 64.3\%$
---

Note: To calculate total possible points, take the number of games played at the end of the regular season and multiply by two (2). Example: 14 games played x two = 28 total possible points.

If all three (3) or more percentages are different for the teams that are tied, then the highest percentage will gain the highest ranking and so forth with the lowest ranking percentage gaining the lowest position amongst the tied teams.

- c. If two or more teams are still tied, the team with the highest goal ratio. Goal ratio will be determined using the following formula: **Goals For / (Goals For + Goals Against) X 100 = Goal Ratio %**

Example: Goals For = 56      Goals Against = 44

$\frac{GF}{GF + GA} = \frac{56}{100} = 0.560\% = 56.0\%$
--

If all goal ratio percentages are different for the teams that are tied, then the highest percentage will gain the highest ranking and so forth with the lowest ranking percentage gaining the lowest position amongst the tied teams.

- d. If two or more teams are still tied, the team with the fewest penalty minutes per game average. Penalty Minutes per game average will be determined using the following formula: **Total Regular Season Penalty Minutes / Number of Regular Season Games played = Penalty Minute average per game.**

Example: Regular Season Penalty Minutes = 115      Regular Season Games = 18

$\frac{PIMS}{Games} = \frac{115}{18} = 6.39 \text{ Average}$
--

If all penalty minute per game averages is different for the teams that are tied, then the team with the lowest penalty minute per game average will gain the highest ranking and so forth with the team with the highest penalty minute per game average gaining the lowest position amongst the tied teams.

- e. If still tied, a coin toss shall take place by the League.

## PLAYOFFS

Leagues will be permitted to operate Playoffs under one (1) of two (2) approved parent formats - Round Robin or Knockout. Leagues are permitted to adjust within the Knockout and Round Robin categories at any point leading up to the start of playoffs (ex. Knockout style communicated - league decides to operate series as opposed to single games).
- d) Leagues are permitted to conduct a series between the final two (2) teams to determine their League Champion.

### SPLIT TIER STRUCTURE

Should a tier, due to geography or the number of teams, be split at the start of the Regular Season into multiple team groupings, each tier group shall follow one of the approved Alberta One Playoff Structures, to determine the Tier Grouping Champion.

**Example:** Tier 2 Red and Tier 2 Blue each have seven (7) teams. Both tier groupings shall follow one of the approved Alberta One Playoff Structures to determine the Tier 2 Red and Tier 2 Blue Tier Grouping Champion.

Once the Tier Grouping Champions have been determined, Leagues will be able to utilize one of the approved Alberta One Playoff Structures to determine the League Champion.

## OVERTIME

Based on the approved playoff structure utilized, Overtime may be played for any playoff game tied after Regulation. Due to factors around ice availability and time slots, Rural Leagues and Metro Leagues will operate under slightly different Overtime Rules.

## APPENDIX B: ALBERTA ONE WEATHER TRAVEL POLICY

The Alberta One Weather Travel Policy assists Leagues and their teams in managing the risks of poor travel conditions or circumstances in a fair and equitable manner. This policy will allow for real time decisions based on the circumstances of the travelling teams regardless of location, time, distances and weather conditions.

This policy does not apply in situations involving travel within the same city or municipality (Example: City of Calgary city limits or City of Edmonton city limits).

### GENERAL PHILOSOPHY

Regardless of geography across Alberta, the weather can impact travel to games to the point where risk management of the travel is the most important decision about the game(s) that day.

When a hockey game can be postponed and rescheduled, no one will argue that playing the game is more important than participant safety when travel is required.

Team level decisions should be made without direct pressure, intimidation or other forms of undue pressure being presented and it must not be used as an excuse or advantage to the travelling participants to opt out of the game.

At no time, should actions be taken by League representatives or other participants to bully, coerce, threaten or otherwise engage in making a team feel like they must travel. The decision must be made by the team(s) travelling and the host of the game.

The people undertaking the travelling must be the final decision makers on if the route and trip can be travelled safely or at a risk level that they wish to accept.

### POLICY

Hockey Alberta and its Leagues will never force a team to travel to a game in adverse/ severe weather situations. Games will not be cancelled but will be considered for short notice postponement only due to adverse/ severe weather conditions or other unforeseen circumstances.

Definitions for adverse/ severe weather conditions include but are not limited to heavy snowfall or freezing rain that causes dangerous driving conditions.

### DECISION MAKING FACTORS

The following considerations and circumstances should be considered by the travelling team prior to making the decision not to travel to a game:

- Weather statements, watches and warnings issued by Environment Canada less than 24 hours prior to the start of the game.  
**Note:** Weather statements, watches and warnings received more than 48 hours prior to the start of the game can result in premature decision making.
- Localized travel restrictions or recommendations to not travel unless necessary.  
**Note:** Travel restrictions or recommendations should be considered for all areas travelled, as bordering local police agencies may have different restrictions or recommendations in place due to local travel advisories.
- Real time reports or reports from other participants in the area in question or from the host team participants.
- The time of day, age of participants, distance of travel and current changes to the weather.
- The route or travel is near or through areas where adverse / severe weather could arrive during or after the destination has been reached.

### POSTPONEMENT PROCEDURES

Should the travelling team decide it is unsafe to travel due to adverse/ severe weather conditions, the following procedure must be followed:

1. Within 12 hours prior to the start of the game, the travelling team should contact the opposing team's Manager and League to inform them of the potential adverse/ severe weather conditions and planned departure time.

**Note:** Should the game start prior to 11 AM, the travelling team should contact the opposing Team's Manager and League the evening before to inform them of the potential adverse/ severe weather conditions and planned departure time.

2. Within two (2) hours prior to departure time, the travelling team must contact the opposing team's Manager and League, to declare their intent to postpone the game due to adverse/ severe weather conditions.
3. With both teams in agreement to postpone, the League will provide written approval to both Managers. MHA Presidents and local Official Assignor on the postponement and the reasons.
4. With the game postponed, the two (2) teams will split the cost of ice.
5. If the on-ice officials are contacted prior to them travelling to the arena, the cost of officials will be waived. However, should the officials be travelling to or at the arena, the cost of officials will be paid by the home team.
6. Within 48 hours of postponement, the game must be rescheduled and communicated to the League.

#### **FAILURE TO COMPLY/ ABUSE OF POLICY**

Should teams or participants not follow the procedures or process in this policy, the League will conduct a thorough investigation into the situation.

Should the investigation determine that the procedures and process were not followed, the League holds the right to fine the offending team a maximum of \$2500 and suspend the Head Coach for five (5) games. The offending team will be suspended from all game play (League, Exhibition, Tournament and Exhibition) until the fine is paid.

## APPENDIX C: TEAM FAILING TO PRESENT ITSELF PROCEDURE

If a team fails to present itself at the host arena upon the signing of the game sheet, the following procedure shall be followed, based on scenario. It is the responsibility of all League teams and member associations to maintain open communication amongst each other to ensure that these types of situations do not arise.

### PROCEDURE

1. Contact, via phone, the Manager or Coach of the team that is not present to determine if the team is on route to the arena.
  - a. If contact is made, and the team is on route, but delayed due to unforeseen circumstances (poor weather, traffic, accident, etc...) all attempts to play the game should be made upon arrival of the team. This could include the removal of floods between periods or playing shorter periods.
  - b. If contact cannot be made, following the conclusion of the pre-game warmup, the game shall be cancelled and forfeited should no players become present.
2. In either circumstance, the League shall be made aware and updated on the outcome.
3. Should a team become present for the game, but in reduced numbers, the following shall apply based on the numbers present:
  - a. If at least six players (as per the Hockey Canada Rulebook) are present, the game will start immediately following the pre-game warmup. Should more players be on route, they must be noted on the game sheet to ensure they are eligible to participate upon their arrival.
  - b. If less than six players are present on ice following the pre-game warmup, but more players are arriving or getting dressed, the game will commence when six players are available. Full details, should there be a delay, must be reported to the League for possible disciplinary action.
  - c. If less than six players are present on ice following the pre-game warm up and no other players have arrived at the arena, the game shall be forfeited with full details reported to the League for further disciplinary action.

### FAILURE TO COMPLY

Should teams or participants not follow the set procedures or process, the League will conduct a thorough investigation into the situation.

Should the investigation determine that the procedures and process were not followed, the League holds the right to fine the offending team a maximum of \$2500 and suspend the Head Coach for five (5) games. The offending team will be suspended from all game play (League, Exhibition, Tournament and Exhibition) until the fine is paid.

## APPENDIX D: APPROVED PLAYOFF FORMATS

The following are approved playoff formats for use by Hockey Alberta Minor Leagues to be chosen at the discretion of each league.

Leagues can submit a new playoff format for use in the current playing season for approval by the Minor Leagues Committee. All submissions must be received by no later than December 1st of the current playing season.

All teams shall participate in playoffs and will not be eliminated after the conclusion of the Regular Season. Leagues are required to schedule all teams to participate in playoffs until the first week of March.

### Knockout

- **Double Elimination** – Teams must lose either two games or series (at the discretion of the League) to be eliminated. There is a winner's bracket and a loser's bracket. Each team starts in the winner's bracket. If a team loses, they move to the loser's bracket. If a team loses again in the loser's bracket, they are eliminated. The last remaining team from each bracket will play for the championship. The team from the loser's bracket must beat the team from the winner's bracket twice to be the champion.

### Round Robin

- **Traditional Round Robin** – All teams in the Round Robin or specific pool (at the discretion of the League) will play each other an equal number of times in the Round Robin. The League will then determine the number of teams that will move onto a single elimination playoff after the conclusion of the round robin.
- **Semi Round Robin** - When round robin pools have a different number of teams. All pools will play the same number of games as the pool with the least number of teams. Pools with more teams will determine opponents based on the results of each round robin games (ex. Winner's play each other). Tie breaking procedures need to be used in the pools where not all teams play each other.
- **Consolation/ Multi-Level Traditional** - Teams will play in a play-in round to determine a split between which teams will proceed into a winner's round, and which teams will proceed into a consolation round. The number of consolation rounds can vary.

Following the round robin format of a Round Robin Playoff, Leagues are permitted to use a knockout structure (single or double elimination) to determine a champion

### Final Series

Leagues may schedule the final two teams of a Knockout or Round Robin to play a series to determine the League Playoff Champion.

## APPENDIX E: APPROVED OVERTIME FORMATS

Should a League choose to operate Overtime during the Regular Season, they will be required to follow the below Regular Season Overtime Format.

### **Regular Season Overtime Format**

- a. At the end of Regulation, a five-minute 3-on-3, sudden victory overtime period shall be played.

  - iv) If a team is penalized in overtime, teams play 4-on-3. If both teams are penalized with minor penalties at the same stoppage of play (with no other penalties in effect), teams will continue to play 3-on-3.
  - v) In overtime, if a team is penalized such that a two-man advantage is called for, then the offending team will remain at three (3) skaters while the non-offending team will be permitted five (5) skaters. At the first stoppage of play after the two-man advantage is no longer in effect, the numerical strength of the teams will revert to 4-on-3 or 3-on-3, as appropriate.
- d. Should a game remain tied after the five-minute 3-on-3, sudden victory overtime period, the game shall end in a tie.

### **Playoff Overtime Format**

### **Rural Leagues Playoff Overtime Rules**

- a. At the end of Regulation, a five-minute 5-on-5, sudden victory overtime period shall be played.
  - i) If at the end of the first overtime period the teams are still tied, a four-minute 4-on-4, sudden victory overtime period shall be played.

  - ii) If at the end of regulation time, teams are 3-on-3, overtime start 3-on-3. Once player strength reached 4-on-4, 5-on-4 or 5-on-5, at the next stoppage player strength is adjusted to the appropriate overtime period.
  - iii) In overtime, if a team is penalized such that a two-man advantage is called for, then the offending team will remain at three (3) skaters while the non-offending team will be permitted five (5) skaters. At the first stoppage of play after the two-man advantage is no

longer in effect, the numerical strength of the teams will revert to 4-on-3 or 3-on-3, as appropriate, depending on the appropriate overtime period.

d. Shootout

- i) Should the game still be tied at the end of the ten-minute sudden victory overtime, the teams will proceed to a three (3) player shootout. Hockey Canada Playing Rule 4.9 – Penalty Shot, shall govern the shootout.
- ii) The home team shall determine which team shoots first. The teams will alternate shots.
- iii) Goalkeepers shall occupy the goal closest to their Team's bench.
- iv) Eligible players from each team shall participate in the shootout and then shall proceed in such order as the Coach selects.
- v) Each team must provide the order of the first three (3) shooters to the Official prior to the start of the shootout.
- vi) All players are eligible to participate in the shootout unless they are serving a ten-minute misconduct or have been assessed a game misconduct/ejection, match or gross misconduct penalty. If a goalkeeper has been assessed a misconduct, the player designated to serve the misconduct penalty becomes ineligible for the shootout. If a misconduct is assessed to the goalkeeper during the shootout, the player designated to serve the misconduct must be a player who has yet to shoot and thus becomes ineligible to shoot.
- vii) Once the shootout begins, the goalkeeper cannot be replaced unless s/he is injured. No warmup shall be permitted for a substitute goalkeeper.
- viii) Each team will be given five (5) shots unless the outcome is determined earlier in the shootout. After each team has taken five (5) shots, if the score remains tied, the shootout will proceed to a sudden victory format.
- ix) No player may shoot twice until everyone who is eligible has shot.
- x) Regardless of the number of goals scored during the shootout portion of overtime, the final score recorded for the game will give the winning team one (1) more goal than the opponent, based on the score at the end of overtime. The losing goalkeeper will not be charged with the extra goal against. The player scoring the game-winning goal in the shootout will not be credited with a goal.

### **Metro Leagues Playoff Overtime Rules**

- a. Metro Leagues, should they choose, may operate under the Rural Leagues Overtime Rules.
- b. At the end of Regulation, a five-minute, 3-on-3, sudden victory overtime period shall be played.
