# CLINIC HOSTING INFORMATION PACKAGE

## OVERVIEW

Coaching clinics along with the online learning material offered through Hockey Alberta, Hockey Canada and the Respect Group Inc. are the foundation for coach education within the game of hockey. The following package outlines coaching requirements, course information and desired outcomes, as well as the teamwork required by Hockey Alberta and the LMHA's to ensure Coaches have the opportunity to learn the fundamentals of coaching, respect, safety & fun.

Each clinic descriptions is broken down into the following categories:

- Overview
- Who should attend?
- Coaching Requirements
- Host Requirements
- Financial Requirements

## PURPOSE

The purpose of the coaching programs is to provide the Hockey Alberta membership with the fundamental understanding of the theoretical, technical, and safety aspects of the game of hockey, and provide members with continuing education opportunities. These programs facilitate coaches in developing a sound participation philosophy based on proven training information and the specific codes of ethics.

There are a number of formalized opportunities that Hockey Alberta provides, so coaches and trainers may obtain the knowledge they require to be effective leaders in the game. These courses should not be seen as mandatory, but as education opportunities that will improve hockey for the most important participants – the athletes.

If you have any questions regarding the development clinics, please contact the Hockey Alberta office at 403-342-6777 or your Regional Development Centre staff.

## HOCKEY ALBERTA CLINIC ADMINISTRATION

### SIGNING UP FOR CLINICS

Each coach will be required to sign up and pay for each clinic individually. This will be done through 'e-hockey', an online clinic and certification tracking website. Coaches will not only have access to sign up for clinics, but also access to their profiles which includes all past courses and teams they have been a part of. It is encouraged that all associations direct coaches to the 'e-hockey' website through [www.hockeyalberta.ca](http://www.hockeyalberta.ca) to ensure that coaches are aware of current credentials & requirements.

### ONLINE PAYING AND REIMBURSEMENT

As each coach registers for a clinic, they will be required to make payment with a credit card, this payment will be made directly to Hockey Alberta. Any refunds will be provided directly to the coach, with a minimum of 72 hours' notice prior to clinic start date. Re-imbursement to coaches upon the completion of coaching courses is at the discretion of each association.

### REQUESTING CLINICS

[Hockey Alberta Regional Centre Staff](#) will be responsible for booking clinics in their respective areas. This will be done in partnership with both facilities and LMHAs. If your association wished to request a clinic, please see both the hosting requirements for each clinic, along with the respective contact based on your location.

## INSTRUCTIONAL STREAM COURSES

### OVERVIEW

Hockey Canada has developed the Specialty Coach Clinic Program that is an optional educational service to coaches in Alberta administered and delivered by Hockey Alberta trained Instructors.

A series of specialty clinics have been developed to offer coaches a practical session on teaching various skills, tactics and systems. This proactive approach will also open the doors of communication and provide a non-threatening environment for coaches to further pursue a mentor. There are a total of 5 Specialty Skills Clinics available that include the following:

- Skating
- Puck Control
- Developing Defenseman
- Small Area Games
- Goaltending

These clinics will be delivered in two components, a classroom (~1.5hrs) and on-ice (1hr) session. The classroom & on-ice portion will vary in length depending on the number of skills being presented. Each skill requires approximately 60 minutes of classroom & ice, with some extra time for discussion. The classroom session content includes:

- Video presentation of the skills to be illustrated to the coaches
- Group discussion of the skill set required for each skill execution
- Group discussion of the format of the on-ice session and review of the drill selections

### WHO SHOULD ATTEND

All coaches looking for a continuing education opportunity to enhance their knowledge of the game are welcome and encouraged to attend.

### REQUIREMENTS

There are no pre-requisites or follow-up tasks associated. Coaches are required to be registered to a Hockey Alberta team for Insurance purposes.

### HOST REQUIREMENTS

- 1.5 hours – Classroom Time
- 1.0 hours – Ice Time (60 minutes/skill)
- Projector
- Flip chart & markers
- Pucks & pylons

**Please contact your respective [Regional Centre Staff](#) to setup an Instructional Stream Course**

### CLINIC COSTS

There is no fee for coaches associated with the Instructional Stream-Specialty Skills clinics.
