

CO-OPERATORS CENTRE GUIDELINES

The health and safety of guests to the Evaz Place campus is of the utmost importance to REAL. All permit holders operating in the Co-Operators Center must be in compliance with the following guidelines.

Facility Users Will:

- **In accordance with the current Public Health Order, masks are required to be worn by everyone who enters the facility. Athletes are required to continue to wear a mask ON ICE.**
- Anyone with COVID-19 symptoms should go straight home and contact HealthLine 811 for further guidance. If a patron is severely sick (e.g. difficulty breathing, chest pain, etc.), call 911.
- **Athletes 18 years of age or under are permitted to continue training in groups of eight or fewer, abiding by the required mask use and at least three metres of physical distancing between participants at all times.**
- **Coaches/Trainers are not included in the training group numbers as long as they are masked and maintain a minimum physical distance of three metres at all times.**
- **Dressing rooms are available. (2) Dressing Rooms will be provided for each user group. Masks must be worn and physical distancing of three metres must be observed.**
- The Co-operators Center's primary doors on the east side of the facility are the only doors for entry and exit.
- All user groups are asked to arrive at the facility no earlier than **thirty (30) minutes** before their scheduled time. If they arrive early, they will be required to wait outside while observing physical distancing until **thirty (30) minutes** prior to their scheduled time.
- All teams are required to exit the dressing rooms within **fifteen (15) minutes** after their scheduled rental time has ended.
- Spectators must maintain distancing of at least three meters from other members of the public. Spectators (excluding parents and guardians where necessary for player support) should be kept out of participant spaces (e.g. dressing room hallways, benches).
- Spectators may utilize the 1st floor viewing spaces as well as the perimeter surrounding inside the arenas. Spectators are asked to avoid congregating in front of the dressing rooms to avoid congestion.
- For the safety of our fellow athletes as well as REAL cleaning staff during this health pandemic, please refrain from spitting in the players benches, penalty boxes, dressing rooms and floors. **Failure to adhere to this policy will result in a \$25 fine to be charged to the permit holder, and possible cancellation of future ice rentals.**
- Main floor washrooms services will be fully operational and cleaned frequently.
- Guests are strongly encouraged to bring full water bottles to programs and to not share water bottles. Water bottle filling stations are open and will be frequently sanitized.
- No single group on the ice surface shall exceed thirty (30). Groups/Teams need to be separated while on the sidelines, and players cannot exceed gathering limits during games, practices or training.

REAL Will :

- REAL will clean all player benches and rink board gates. There will be fifteen (15) minutes allotted between groups to perform thorough disinfecting of facility spaces.
- REAL has implemented intensified cleaning and disinfecting procedures including more frequent cleaning of high-touch surfaces.
- The Co-operators Center's Guest Services desk will be open to assist with any inquiries guests may have.

For all other general inquiries and patron assistance, please contact The Co-operators Center's Guest Services desk at 306-781-9292.
