A. GENERAL CONDUCT

A.01 Players, coaches and spectators must show respect for the game, their opponents, the officials and the fans. Those displaying unruly conduct or causing off ice altercations before, during or after games in or around the rinks or a violation of these Regulations may be suspended. Profane language by or around the players is strictly prohibited. Any Board of Director present at a HRI event may issue an indefinite suspension and, at first opportunity, shall refer the matter to the Division Director for a review and determination of any further suspension.

A.02 Parents' actions must be tempered towards good conduct and the welfare of the players. All parents/guardians must sign a HRI Parent's Conduct Agreement. The agreement is designed to help parents understand their role with their son/daughter's participation in hockey. HRI will not register players of parents/guardians refusing to sign the agreement. Verbal, physical or mental abuse of players, officials, coaches, parents and HRI volunteers will not be tolerated. Suspensions will be assessed for abusive offenses as specified on the Parent's Agreement. HRI reserves the right to increase the length of suspensions depending upon the severity of the incident(s). Team coaches/managers are responsible to notify the Division Director immediately of any parent offenses. HRI reserves the right to suspend the players of parents refusing to abide by suspensions assessed. Other spectators exhibiting abusive conduct will be required to leave the rink and will be subject to the same suspensions as indicated in the Parent's Agreement.

A.03 It is the expectation of HRI that referees and linesmen will demonstrate positive conduct towards the game of hockey. Mutual respect between officials and all players, coaches and parents is to be exhibited in all Divisions.

A.04 During team activities, no one associated with a team, including players, coaches, officials, managers, trainers or persons transporting players, shall be under the influence of, or use, alcohol or illegal drugs. HRI supports zero tolerance. Participants violating this rule are subject to indefinite suspensions.

A.05 A coach, assistant coach, manager, trainer, parent or player of a team should not officiate in a league game that is in the same division that their child or siblings are playing unless necessary.

A.06 In situations where conflict arises at the team level between a parent/guardian, player and coach, the first form of resolution will be a meeting between the parent/guardian, player and team manager. Should there be no resolution to the issue, the parent/guardian or player can request a meeting with the team manager and a HRI representative. If no resolution is reached, the complainant has the right to request a meeting with the Division Director, and the coach. The request must be in writing, stating the nature of the complaint and signed by the

parent/guardian. At the conclusion of the meeting with the Division Director, the complainant will receive a written decision within 48 hours of the meeting, with the decision of the Division Director being deemed final. Any further action by the complainant which contradicts or in any way undermines the decision of the Division Director will be deemed to be in non-compliance of the Rules & Regulations and may cause their membership with HRI to be revoked.

A.07

1. In situations where there is a written complaint made to a Division Director or the HRI Office regarding hockey operations, a response will be provided from a representative of HRI.
2. Where the complaint involves parent/guardian/coach conduct, the Division Director/Director of Suspension /Director of Coaching Development may individually or collectively review and/or investigate and provide a response, which may include recommendations for further action, disciplinary or otherwise.
3. Those situations wherein the complaint is related to governance of HRI, including Board of Director conduct, an independent individual/committee as appointed/established by the Board of Directors will conduct a review and may make recommendations for further investigation.
4. Special situations of an emergent nature involving verbal complaints, which clearly demonstrate that the wellbeing of a player or member is at risk, may be investigated and acted upon immediately provided they are followed up in writing.
5. With respect to (1) – (4) above, a hearing may be held at the discretion of the Division Director where the parties are to be given an opportunity to be heard either orally or in writing. Following the hearing/investigation, a decision relating to any suspensions or other disciplinary actions will be made and communicated, in writing, to the parties.

A.08 HRI follows the Hockey Canada protocol for harassment/abuse situations. Upon receipt, written or verbal, of a harassment/abuse allegation, an individual/committee as designated by the President will review the situation and make recommendations for follow-up. The individual/committee reserves the right to forward allegations to the appropriate Police Service or Child Protection Agency. All allegations regarding discrimination and racism must be reported to the appropriate Division Director. Repeat offenses are subject to indefinite suspension until reviewed.

A.09 The Division Directors are responsible for administering the Rules and Regulations of HRI in their respective Divisions. This includes specific and discretionary suspension in coordination with the Director of Suspensions.

For HRI requests, written applications including all necessary components noted above must be submitted to the HRI Office by August 15. Applications must include a \$200 non-refundable application fee plus the evaluation fee of that division. Note that players must already be registered in their appropriate age division. Example: a U11 applicant must be registered in U11A for the upcoming season.

All applications will be reviewed by the HRI Age Advancement Committee. The Age Advancement Committee will then make recommendations to the HRI Board of Directors.

B.02 HRI offers the following programs:

U7 Program: Programs for 5 and 6 year-old players. The primary focus is on fun and skill development.

Tiered Hockey: A developmental league with tryouts/evaluations (and possible cuts) for players who have a high level of commitment in terms of time and finances.

Female Hockey: A program for females to play on an all-female team in the U7 to U18 age-division.

B.03 In order to ensure HRI has accurate counts of players wishing to play hockey, a non-refundable evaluation/registration fee and deadline for registering for hockey may be established and set by the Board of Directors.

B.04 A player may register and play for only one league but may play for a school team when it does not conflict with HRI play.

B.05 Only those players who are properly registered with HRI and Hockey Sask may participate in league, tournament or exhibition games. Coaches who dress or play ineligible players, including players not approved, as affiliated players, will be subject to disciplinary action.

B.06 Players residing in Regina shall play in zones designated by the Board of Directors and shall not be allowed to transfer from one zone to another (excluding goaltenders). In order to complete or fill team rosters, the Board of Directors may move players to other zones.

B.07 For HRI registration purposes, the address for players shall be the address of the player's parent(s) and/or the address of the person who is in loco parentis of the player as of September 1 of the season in question. Residential qualifications are as per Hockey Sask Regulations.

B.09 HRI has the right to require proof of address and age as stated on the registration form. Additional proof of primary residence may be required.

B.10 U18 AAA

1. Male (Regina Pat Canadians) + Female (Regina Rebels):

- Registrations will be open to any Midget aged player in Saskatchewan using residential qualifications as per Hockey Sask regulations.

B.11 HRI Release Policy for U15 and U18

1. In HRI Male U15 and U18 and Female AA U15 and U18, rosters will not be finalized until January 9th of the playing year.
2. Players cannot be released if the coaching staff misjudged the player's ability at the start of the year. If a player comes to all practices and games, and does what is asked of him, this player cannot be released.
3. Players may be dropped from rosters for the following reasons:
 - missing practices
 - not following instructions when on the ice
 - not coming to games
 - no calls to the coach before missing games or practices
 - interference from parents
4. When contemplating dropping a player from a team, thorough documentation must be kept leading up to the player's release. The player and the parents must be given time to either correct the behavior of the player and/or parents or drop out of the existing program.
5. Before a player is released the coach must inform the manager, then the HRI Office. All documentation must be presented to the HRI office. At this point the request for release will be presented to the HRI Board of Directors
6. The HRI Board of Directors will either give permission to remove the player or outline the conditions that must be met in order for the player to stay in the program.

B.12 For non-U18AAA players, releases will only be granted to any U18 aged player upon making a U18 AAA or Junior A team. Releases will not be granted for a U18 aged player to play Junior B or C. A player does not require a release in order to attend an evaluation camp. All requests or inquiries in registering players, releases or their status must be dealt with by the HRI Office and not by coaches or managers.

For U18AAA players, as per SFU18AAA and SMU18AAA league rules, releases will come directly from the U18AAA team. Should the player and team not agree on a release, the players may appeal to the HRI Board for their release. The HRI Board will have the final decision on granting a release.

B.13 Registration Fees

1. Payment of registration fees is done on a team registration basis (one cheque payment by the team to HRI for all players on the team).
2. A late registration fee may be established and assessed according to deadlines set by the Board of Directors.
3. A \$100.00 late charge may be assessed to teams if the equipment/uniforms are not turned in by the last return date.
4. A bond will be assessed every team in all divisions of HRI at the time of team registration. The bond will be refunded to each team at the end of the hockey season provided that the equipment/uniforms have been returned in good condition and all outstanding participant (player, coaches, managers, and trainers) fees and/or fines have been paid. HRI reserves the right to withhold all or part of the bond.
5. In the event that the bond does not cover all fees and/or fines payable, HRI reserves the right to have all outstanding fees and/or fines paid prior to registering players, coaches, managers, trainers for the next season. Thus players who have not returned all outstanding equipment and uniforms or have other outstanding fees will not be allowed to participate in HRI until the matter is resolved.

B.14 No Pay-No Play Policy:

1. Registration as a player in HRI involves more than just playing in league and playoff games. A player is expected to participate in the league games, playoff games, the minimum number of practices and tournaments as per HRI Regulations and is responsible for costs thereof.
2. Each team is required to establish a team budget at a parent's meeting early in the season. Team budgets cannot exceed HRI guidelines and are to be approved by the appropriate Division Director. The team budget will specify the dollar figure that each player is to contribute.
3. Player/parents that anticipate having difficulty being able to contribute the funds required for the team fees are to discuss the situation with the team manager and/or treasurer at the earliest possible time. Upon this notification, it is recommended that the team provide opportunities for an installment payment plan and/or fund-raising alternatives. If a player/parent is unable to fulfill their team fee obligations via installment payments or fund-raising alternatives, HRI has the option of suspending the player until the necessary funds are paid. It is the expectation of HRI that all possibilities be explored prior to the player being suspended.

B.15 Refund Policy: The effective date for all refunds shall be the date that the HRI office is informed in writing that the player has quit. Refunds are calculated as follows:

1. A refund of 75% of the HRI registration fee will be issued if the player quits after placement on a team and before November 15.
2. A refund of 50% of the HRI registration fee will be issued if the player quits after November 15 and before December 15.
3. A refund of 25% of the HRI registration fee will be issued if the player quits after December 15 and before January 15.
4. No refund will be issued if a player quits after January 15.
5. Long term Injury: Should a player receive a long term injury, during the season, that is not a season ending injury and it requires the player to miss two (2) consecutive months or more of the season, the player will be eligible for a rebate of their HRI registration fees based on the amount of regular season games missed. Medical documentation will need to be supplied to receive the rebate.

C. TEAM SELECTION AND TRYOUTS

C.01 Upon registering, a player will elect the tier that they will be evaluating for;

Player evaluations by an independent evaluation process will be the method followed for ranking players on teams in all age divisions except U7. E.03 Coaches are to meet with the player's parents at the start of the season. The Division Director or Commissioner must be invited to attend the initial parent meeting where the team approves the manager, treasurer and the team budget. Teams or team officials not conforming to HRI budget guidelines, or exceeding team maximums, will be subject to disciplinary action (suspension or dismissal).

E.06 Teams are expected to pay for out of pocket expenses for registered coaches who do not have a child on the team. These expenses will include, but may not be limited to, out of town travel costs and over-night tournament accommodation (based on shared accommodation) and meals. In the event this regulation is used, these expenses must be factored into the overall team budget and the entire team is responsible for these expenses. Maximum number of non-parent coaches covered will be 3.

E.07 HRI and Associate Member teams are accountable for payment of all clean up and repairs to arena equipment and facility damages for which their players/team are responsible. Damages are to be reported to the HRI office immediately. F. AFFILIATED PLAYERS

F.01 Affiliated players cannot be used prior to receipt and approval of the affiliated player list by the HRI office and HRI’s submission to Hockey Sask. Associate Member Teams are required to follow HRI Affiliated Player Regulations. The Board of Directors must approve any deviations from the HRI Affiliated Player Regulations.

F.02 Calling up an affiliated player from a lower tier or division is not permitted except to replace a missing player. An exception will be made for a team that has a small roster size, as per F.03. A missing goaltender can only be replaced by an affiliated goaltender. If a team only has one goaltender registered, it may dress an affiliated goaltender that will only play if the registered goaltender is sick, injured or suspended.

F.03 If a team has a small roster, it is able to dress an affiliate player to get up to a normal roster size. A normal roster size by division is as follows:

- U11, U13 + U15 – 15 skaters
- U18 – 17 skaters

F.04 The process for using an affiliated player will be as follows:

- a) The coach using an affiliated player must notify the coach of the team from which a player is being acquired. Coaches not notifying the coach of the team from which a player is being acquired prior to the player taking to the ice are subject to suspension. A coach cannot prevent a player from affiliating to play or practice at a higher level provided there is no conflict with a game or practice. Players should be given the opportunity to play at a higher level at every chance.
- b) The coach affiliating the player must notify and receive approval from his/her parents or guardian.
- c) Any dispute over use of an affiliated player must be referred to the Division Director immediately.

H. PLAYOFFS

H.01 All teams shall make the playoffs, unless otherwise stated. Not all U18 teams will make playoffs

H.02 Teams must be available for all scheduled playoff games. Teams forfeiting playoff games will be subject to disqualification from the remainder of the playoffs.

H.03 Tie Breaking Procedure is as follows:

As per Hockey Sask Regulation 3.08.01, the following criteria shall be used to determine team standings in the event of a tie at the conclusion of the regular season:

1. Two teams Tied

- a) Best win record in games played between tied teams
- b) If still tied, the team with the best win record
- c) If still tied, the team with the best goal average in all games would qualify. The goal average of a team is determined by dividing the total number of goals for by the total number of goals for and against. Example: Total goals for = 10, total goals against = 4, percentage = $10/14 = .714$. Note that a maximum of 7-goal difference per game will be used in the calculation of the game ratio. This will be calculated from the actual “goals for” of the losing team in the particular game.
- d) If still tied, the team with the least number of minutes in penalties in all games
- e) If still tied, the team to qualify would be the team which scored the earliest goal in the game between the tied teams.
- f) If still tied, the winner will be decided by a single toss of a coin.

2. Three or more teams tied

NOTE: This tiebreaker is used to determine the seeding of 1st, 2nd, 3rd, etc.

- a) Best point record in games played between tied teams. Note teams must have played same number of games against each other
- b) Most wins in all games
- c) If still tied, the team with the best goal average in all games would qualify. The goal average of a team is determined by dividing the total number of goals for by the total number of goals for and against. Example: Total goals for = 10, total goals against = 4, percentage = $10/14 = .714$. Note that a maximum of 7-goal difference per game will be used in the calculation of the game ratio. This will be calculated from the actual “goals for” of the losing team in the particular game.
- d) If still tied the team with the fewest goals against in all the games played
- e) If still tied, the team with the most goals for in all the games played
- f) If still tied, the team with the least number of minutes in penalties in all games played
- g) If still tied, the team with the least number of minutes in penalties in all games
- h) If still tied, after all previous methods have been applied, the winner will be decided by a single toss of a coin. In a three-coin toss, the odd team gains the highest position.

NOTE: Once a step in the three or more team tiebreaker establishes a ranking of a team(s), they assume that position and the remaining teams go to the next step. They do not go back to the “Two Team Tiebreaker”

NOTE: In all games that are forfeited by one team, the score will be declared a 5-0 victory for the non-forfeiting team.

H.04 The playoff format in each HRI division will be as follows:
U11 and U13– double knockout format
U15 and U18 – best of three series

H.04.1 HRI Playoff mercy rule (U11 + U13) - if a team is ahead by 5 goals or more, in the last 5 minutes of the 3rd period, the game clock shall run continuously. If the goal spread goes back to under 5 goals, the game reverts back to stop time.

H.05 For all HRI playoff games that are tied at the end of regulation time, overtime will be played. The overtime procedure will be as follows:

- a) Teams will play sudden death, 20-minute stop time in a three on three format with goalies in.
- b) In the event of a penalty the penalized team will have their player in the penalty box and the opposing team will be allowed a fourth player (ie - four on three). The penalized player will rejoin the play at the end of the penalty and play will continue until a stoppage in play. The teams will then revert back to a three on three format.
- c) In the event of a 2nd penalty during the 1st one the un-penalized team will go to five on three.
- d) Penalties from regulation time will overlap into the overtime period.

H.06 Format to Determine the HRI Representative for Hockey Sask Provincial Playoffs

- a) For U13 A+B, U15 A+B, U18 A+B and Female U13 B+C the top four Regina teams will be eligible for the HRI provincial playoff round to determine the HRI representative.
- b) The top four teams are determined by league standings for all league games played up to and including the last January 15 for all divisions.
- c) The top four teams are determined by the best point percentage. The best point percentage is determined by dividing the total team points by the number of league games played. To determine team standings in the event of a point percentage tie refer to the tie-breaking procedure in H.04.
 - i. Example Team 1: (25 Points in 15 Games) $BP\% = P/GP = 25/15 = 1.67$
Example Team 2: (23 Points in 15 Games) $BP\% = P/GP = 23/15 = 1.53$
 - ii. Example Team 3: (25 Points in 17 Games) $BP\% = P/GP = 25/17 = 1.47$
Example Team 4: (23 Points in 16 Games) $BP\% = P/GP = 23/16 = 1.43$
- d) If a qualifying team cannot participate in their assigned Hockey Sask Provincial Playoff Rep game(s) the next highest placed team will be selected
- e) Provincial Qualifying Series:
 - i) 1st place team will play the 4th place team and the 2nd place team will play the 3rd place team in a two-game-total goal series. In the event of a tie in total goals following the 2nd game of the two game series overtime, as per H.05, will be used to determine the series winner
 - ii) The winners of the 1v4 and the 2v3 series will play in a Modified best of three series to determine HRI's provincial representative. Modified Best of three rules:
 - If the first game is tied, it will remain tied
 - If one team wins game 1 and ties game 2, the team with the win will be the series winner
 - If the teams split the two games, then a 10-minute Mini-Game will be played. The Mini-game will not be sudden death; it will be played in a 3 v 3 format. Note a separate gamesheet will be used

- Penalties will not carryforward over to the Mini-Game. Only players that played in game 2, will be eligible to play in the mini-game
 - If the Mini-Game is tied, the teams will play overtime, as per H.05, to determine the series winner.
- iii) The lower ranked team is the home team in the first game and the higher ranked team is the home team in the second game.
