Concerns

Huge Concern with the associate seeking PeeWee team in SS. This will directly affect HRI member (Lumsden) who currently draws kids within the same area as PS would draw. Lumsden has access to these kids as we have PS as a closed zone within HRI.

It would also effect fellow SS members Weyburn, as several of their first year players that would be playing within their PeeWee 1 ranks would be within closer proximity to PS that to Weyburn.

The biggest concern to the entire situation is that their board is not forward thinking the ramifications of this decision. They are making this decision to appease a small select group of current PeeWee parents (several of which are on the PS hockey board). It has been stated that if this is their decision at no time will they have the availability to pull their Tier 1 team registered in Regina in favour of supporting the South Sask team. They will have to bring us a PeeWee tier 1 team and continue on with the South Sask team if they feel they can do so. At this point, the board is doing what is best for the interests of their individual children and the potential short term gain as opposed to looking a the potential damage that may occur within their organization long term by heading sown such a path.

Recommendation to the Board

I feel we should handle this situation in a similar fashion to how the Lumsdan issue was handled a few years ago. A letter should be drafted by the board with our concerns of their action with this issue. In addition, we should table acceptance of their program into HRI until our August meeting leaving them the summer to sit with their programs in limbo.

This is in my humble opinion. However, I do think a response from the board is definitely necessary. This single action has wide spread effect through out our entire area.

Representation at Board Meeting

Ward would like the opportunity to sit in monthly at a board meeting.
They have done this with baseball regina this year and has given them
a better understanding of the inner workings of that board.

Note:

Associate will see direct robbing of players that will head to Prairie Storm
due to the implication of the draw zones that the potential South Sask
PeeWee team would put.

Recommendation to the Board

Full acceptance into Hockey Regina

Pense

Represented by: Scott Goebel

Atom – 13 kids 1 teams 1 – Tier 2

Respect in Sport

Respect in Sport

Players enrolled in HRI will enroll and take the online course
Oct 1st is the deadline for there people.

Note:

Discussion must be had at the Novice level and Atom level.

Does a T2/T3 split work for both these divisions or is it better
to ask for 2 – T2 teams.

For the first time, these 2 programs are joining together with a
working agreement on paper between each other. This is an excellent
move between these 2 programs and should be acknowledged at the
board level.

Recommendation to the Board

Full acceptance into Hockey Regina

Recommendation to the Board

Full acceptance into Hockey Regina

Teams Bringing:

Novice	12 kids	1—Tier 2

Respect in Sport

Players enrolled in HRI will enroll and take the online course
Oct 1st is the deadline for there people.

Note:

Discussion was had in pertainance to discipline issues as well as officiating issues.

Offered reffing mentorship program when set up

Midget T3 – discussed at length as T2 last year. Program more suited to T3. They understand the reluctance due to travel outside Regina. This would be a combined team with players from Milestone, Rouleau, and Avonlea. Suggested to them that the team would have to be registered and play home games out of Rouleau. They could split practises between other centres. As well, they would most likely start to us RHOA officials for any games played in Milestone for ease of scheduling as well as transparency.

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions.

Moose Jaw

Represented by: Ron Jukes

Teams Bringing:

Atom	108 kids inc. 12F	1 – Tier 1; 1 – Tier 2; 1 atom female

Jr C		1 Team

These are early registration numbers.

Respect in Sport

Players enrolled in HRI will enroll and take the online course
Oct 1st is the deadline for there people.

Note:

Discussion was had in terms of their direction with Atom program. It was discussed that we would not be interested in extending out the travel for our Atom tier 2 as far as Moose Jaw. It was discussed that the potential might lie within their league to develop an Atom tier 2 program within Moose Jaw. This may show benefit to their associates who are looking for a tiered option for their teams.

Acknowledgement of the Moose Jaw officials mentorship program was made. It is noted that approximately 80% of the games in Moose Jaw have attendance of an officiating mentor.

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions with the exception of Atom Tier 2 which we would reject.

Indian Head

Represented by: Chad Thauberger

Teams Bringing:

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions

Weyburn Minor Hockey

Represented by: Mike Tyhy

Teams Bringing:

Atom	2 – Atom F
PeeWee	1—Tier 2; 1 peewee female
Bantam	1 – Tier 2
Midget	1—Midget 15

Respect in Sport

Players enrolled in HRI will enroll and take the online course
Oct 1st is the deadline for there people.

Note:

Discussion was had with Weyburn in regards to Prairie Storms entry into the South Sask PeeWee league. This has direct affect on Weyburn as potentially there is 3-4 kids that would now shift from Weyburn to go to Prairie Storm.

Discussion was also had in regards to standards of game times and floods as there was a small issue with this last season with a Weyburn team.

Discussion was also had in regards to proper use of Affiliated players within the Weyburn minor hockey system. Instances last year that after teams were eliminated in the play offs; teams would increase their roster size by picking up their affiliated players from the eliminated teams (in a lower age category). This is contrary to both Weyburn Minor Hockey regulations as well as HRI regulations.

Imports for SS and SEMHL – Atom – 5; PeeWee – 6; Bantam – 7

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions

Quad Town

Represented by: Gary Keller

Teams Bringing:

Bantam	1 – Tier 2
Midget	1 – Tier 2
Jr C	

There registration has not ended so no reg. #'s available at this point.

Respect in Sport

Players enrolled in HRI will enroll and take the online course
Oct 1st is the deadline for there people.

Note:

Within Quad towns ranks are 2 Midget players that have indicated they would like to participate in the Midget 15 division within HRI. We would gladly accept them and have also indicated to them that Prairie Storm would like to ice a M15 team but are short player to do so.

It would benefit both HRI, Prairie Storm as well the players within Quad Town for them to join in with this team.

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions

Davidson/Craik

Represented by: Leah Herback

Teams Bringing:

Atom	24-28 kids	Tier 2/Tier 3
PeeWee	24-28 kids	Tier 2/Tier 3

There registration has not ended so no reg. #'s available at this point.

Note:

It was discussed that due to the affiliation with Moose Jaw's minor hockey and that they had a place to play, we would not be able to accept any of their teams. In addition, also discussed that the travel is a huge limiting factor to any of our tier 3 programs.

In addition, it was discussed that there might be the potential within MJ for a tiered program at Atom to be made.

Also, discussed that at PeeWee, there was option of the Last Mountain Hockey League as well as formation of another rural based league with Dundurn, Hanley, and Clavet currently without leagues due to Saskatoon decision to narrow their associated membership ranks.

Recommendation to the Board

Decline acceptance into Hockey Regina in all divisions

Rouleau

Novice	12-15 kids	Tier 2
Atom	12-15 kids	Tier 2
PeeWee	Tier 3 registered under Milestone	
Bantam	Tier 3 registered under Milestone	
Midget	Tier3 registered under Milestone	

Note:

Discussion in regards to Tier 3 levels and distance travelled. All teams that are registered with Milestone will be allowed to play games in Milestone and Rouleau. However, no Tier 3 games are to be played within Avonlea due to distance travelled without board and team they are facings approval. Was suggested to play Southey, or Prairarie Storm Tier 3 games in Avonlea.

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions registered under Rouleau.

Avonlea

Represented by: No representation, paper copy submitted by Marlyn Stevens

Teams Bringing:

Bantam	Tier 3 registered under Milestone	
Midget	Tier3 registered under Milestone	

Note:

We will present discussion back to the Avonlea minor hockey in regards to Tier 3 levels they are registereing under different Minor hockey organizations with and distance travelled. All teams that are registered with Milestone will be allowed to play games in Milestone and Rouleau. However, no Tier 3 games are to be played within Avonlea due to distance travelled without board and team they are facings approval. Will be suggested to play Southey, or Praiarie Storm Tier 3 games in Avonlea.

Recommendation to the Board

Full acceptance into Hockey Regina in all divisions registered under Rouleau.

Estevan

Represented by: Kelly Kjersem

Teams Bringing:

PeeWee	55 kids	1 team – Tier 2
Bantam	67 kids	1 team – Tier 2
M15	22 kids	1 team
Atom Female		1 team
PeeWee Female		1 team

Notes:

Discussion was had in regards to SHA and Estevan Minor Hockey. It was confirmed by Kelly that notes were sent to Moosemin Minor Hockey that Estevan was being eliminated from HRI this season and they would need a place to play. SHA has also told Estevan that the option of formatting the old SCHL was not an option and would not be supported underneath their banner. HRI and Estevan minor hockey to calaborate on bringing SHA to task on these issues.

Was discussed that for next season, the potential existed to expand the SEMHL to include a PeeWee Tier division as potentially there would be Yorkton, Melville, Moosemin, Weyburn and estevan to compete in that league. HRI has pledged to help Estevan Minor Hockey to explore and develop this option.

Concession that Estevan Minor Hockey has conceded to play in HRI this season:

- No Sunday games after 3 pm
- They will come to the scheduling meeting with double the amount of ice slots needed to allow flexibility in scheduling road trips to Esevan/ Weyburn
 - o Was noted that we should discuss with Weyburn Minor Hockey the same practice so teams could do an overnight road trip and then their “swing” was done.
- PeeWee and Bantam division will be closed centers with the exception of local communities where minor hockey does not exist at that level such as Torquay, Bienfait.
- All HRI teams will complete respect in sport by Oct 1st and submitted to HRI by Oct 15th.

Recommendation to the board:

Full acceptance into HRI for the upcoming season.
