PURPOSE

To establish guidelines and procedures for player evaluations and placement within the U13 AA, A, B and C Divisions.

OVERVIEW

1. For U13. The City will be divided into one (1) zone. There will be five (5) U13 AA teams. The number of U13 A, B and C teams will be determined by the registration numbers.
2. The number of players on each team in a given Tier will be determined by registration numbers.
3. For determining the number of U13 AA, A and B teams, the following grid will be used as a guideline:

# of skaters registered for AA, A + B	AA	A	B
<295	5	6	7
296 - 315	5	6	8
316 - 335	5	7	8
336 - 355	5	7	9
356 - 375	5	8	9
376 - 395	6	8	9

4. Evaluators will be the short-listed coaches and independents.
5. A meeting with Division Director, Director of Evaluations and the short listed coaches may be held prior to the first ice session.

PLAYER ELIGIBILITY

1. Evaluations for U13 AA, A, B and C are open to all U13 aged hockey players (male and female) that are, as per HRI regulations, registered with HRI and paid the appropriate evaluation fee.
2. Upon registration, a player will have the ability to register to try out for U13 AA, A, B or C. It is the understanding that registering for U13 AA, A or B does not guarantee a placement on a U13 AA, A or B team.
3. To be eligible for the U13 AA, A or B team selection draft, all players must be registered for and attend the evaluations of that particular Tier.
4. Players must communicate their absence to the Division Director or designate, prior to their assigned session. Failure to communicate their absence may make that player ineligible for the team selection draft.
5. Injured players may be asked to supply a medical report to the Division Director.
6. Once the U13 AA, A or B evaluations have started, transfers for U13 AA, A and B will be accepted up to the final evaluation session of that particular Tier.

EVALUATION PROCESS

CRITERIA

During the course of the evaluations, the evaluators will be evaluating and grading the players on criteria that includes the following:

OVERVIEW

1. For all sessions, the players will be divided into equal groups based on numbers.
2. All players will be given a jersey that they will use for the evaluations. At the conclusion of the final scrimmage session of that Tier, the players will return the jersey to the registration person.
3. All evaluators will be given a list of players/numbers for the ice session. Each evaluator will give all players one overall grade between 1 and 6. At the conclusion of each ice session, the evaluators will hand in their completed forms to the evaluator coordinator.
4. The coaches will not evaluate their own child.
5. The evaluator coordinator will record all the grades for all the players. Each player will receive one single score between 1 and 6 based on the AVERAGE of ALL the evaluators' grades for all the sessions of that Tier.

NOTE: Any parent interfering in the evaluation process may be subject to disciplinary action.

U13 AA

1. The evaluation process for U13 AA will be a two stage process. The first stage will consist of the following:

 - One (1) controlled scrimmage
3. At the conclusion of the scrimmages, the players will be ranked from 1 to n based on their grade in the U13 C evaluations only.

TEAM SELECTION PROCESS

OVERVIEW

1. The U13 teams will be determined via a draft process.
2. Prior to the draft, the coaches will be given a list of eligible players with a ranking of the players to be provided during the draft.
3. The Division Director and Director of Evaluations, or designate, must be present on the drafting day. The Division Director may elect to have other members of the Board of Directors present whose child is not a player in this division.
4. The final appointed Head Coach shall be allowed to attend on the day of the draft. Subject to the approval of the Division Director and in consultation with the Director of Evaluations, the Head Coach may bring an independent person into the draft.
5. The drafting order will be randomly decided at the beginning of the draft. A reverse order format will be used.

Example (assume 5 teams):

Goaltenders:	Round One: 1, 2, 3, 4, 5.	Round Two: 5, 4, 3, 2, 1.
Skaters:	Round Three: 5, 4, 3, 2, 1.	Round Four: 4, 3, 2, 1, 5.
	Round Five: 3, 2, 1, 5, 4.	Round Six: 2, 1, 5, 4, 3.

6. The coaches child shall be selected in the round that they evaluate out at (except for AA).

Example (assume 5 teams):

Round One: Ranked 1 to 5	Round Two: Ranked 6 to 10
Round Three: Ranked 11 to 15	Round Four: Ranked 16 to 20
Round Five, etc	

7. For AA, the Head coaches child will be slotted in to a round prior to evaluations.
8. A Head Coach will not draft the child of another Head Coach at the same drafting table.
9. Any discussion that takes place at the drafting table is done so in the strictest of confidence. Anyone that partakes in the drafting process shall not under any circumstances and in any manner communicate to any player including goalies or the parent of any player, any information related to the draft, final ranking, score and grouping of any player and/or goalie.
10. No telecommunication devices will be allowed into the draft.

U13 AA

1. Each player will be assigned a final ranking of 1 to 6 to the nearest decimal point that allows for a list of approximately the top 90 skaters and top 15 goalies (assumes 5 teams).
2. A coach will have the ability to draft any player in the top 90 skaters or 15 goalies. Note: Any registered injured/absent player will be eligible to be selected at any time in the draft.
3. Skaters ranked 1-55 and goalies ranked 1-5 must be selected in the draft. This assumes 75 skaters and 10 goalies will be selected.

U13 A+B

1. Each player will be assigned a final ranking of 1 to 6 to the nearest decimal point that allows for a list of approximately the top 108 skaters and top 18 goalies (assumes 6 teams).
2. A coach will have the ability to draft any player in the top 108 skaters or 18 goalies. Note: Any registered injured/absent player will be eligible to be selected at any time in the draft.
3. Skaters ranked 1-72 and goalies ranked 1-6 must be selected in the draft. This assumes 90 skaters and 12 goalies are selected.

U13 C

1. Each player will be assigned a final ranking of 1 to 6, to the nearest decimal point.
2. Based on the final rankings, players will be grouped in flights of n, whereby n is the number of U13 C teams. A coach will be able to select a player from the current flight only. When there are n players remaining in a group, then the next group of players will be introduced.

Example (Assume 6 teams):

Group A = 1 to 18

Group B = 19 to 24

Group C = 25 to 30

Group D = 31 to 36

Group E = etc

3. The draft will start with Group A. When 12 eligible skaters remain in a group the next group of skaters will be introduced. This will occur from group to group every time 12 eligible skaters are remaining. Any injured and absent players will be selected after all the other players have been selected.
