

***Please note: These guidelines are derived from Saskatchewan Health Authority documents and are subject to change without notice. Anyone with COVID-19 symptoms should go straight home and contact HealthLine 811 for further guidance. If a patron is severely sick (e.g. difficulty breathing, chest pain, etc.), call 911.***

Permit holder is responsible for tracing, monitoring and screening team /participant members upon arrival by asking if they are sick or symptomatic. If they answer in the affirmative, they cannot be allowed to enter. There will be signage on entrance and exit doors.

All scheduled user groups are asked to arrive at the facility no earlier than 10 minutes before their scheduled time. If they arrive early, they will be required to wait outside while observing physical distancing until 10 minutes prior to their scheduled time.

Dressing rooms are available. Dressing Room capacity should not exceed the posted number of people per room. Groups will be assigned two (2) dressing rooms for their ice rental. There are additional skate tying stations available per arena which should be utilized if the group requires additional space.

- Wickenheiser = 22 tying stations
- Clarence Mahon; Jack Hamilton; Jack Staples; Murray Balfour = 18 tying stations
- Optimist & Wheat City Kinsmen = 14 tying stations

If there are not enough tying stations available for all attendees, participants will need to come fully dressed with skate guards.

Users will need to bring full water bottles to programs and should not share water bottles.

Spectators must maintain distancing of at least two metres from other members of the public.

Bleachers inside the rink will not be available for use.

Washroom services will be fully operational and cleaned frequently.

No single group in the facility shall not exceed 30 people. Groups/teams need to be separated while on the sidelines, and players cannot exceed gathering limits during practices, games or training.

If physical distancing cannot be maintained or is unpredictable, a mask should be worn by those not participating in the activity (i.e. coaches, volunteers, etc.)

Shared equipment should be cleaned and disinfected after contact between individuals, even when not visibly soiled.

**The City of Regina has implemented intensified cleaning and disinfecting procedures including more frequent cleaning of high-touch areas, including all players benches, rink boards gates, dressing rooms, entrance/exit to the facility.**

**There will be a 30-minute break between user groups to allow staff to perform thorough disinfecting of the facility spaces.**
