ELIGIBILITY REQUIREMENTS

2024 ARCTIC WINTER GAMES ELIGIBILITY REQUIREMENTS

Athlete or Cultural Participant

Citizenship: Must be a Canadian citizen, a permanent resident of Canada, or an individual whose family are in Canada on work visas.

Residency: Must be a continuous resident of Yukon for six (6) consecutive months prior to the opening day of the Games. The effective date is **September 10, 2023**.

Students: Students attending an institution outside of the Yukon must also comply with all eligibility requirements prior to the start of the school year and must maintain their principal residence in Yukon.

A resident of a participating Contingent, who is attending school outside the Contingent is deemed to be a continuous resident of her/his Contingent and is eligible to compete for her/his residence Contingent, or the Contingent in which s/he is attending school (if a participating Contingent) but not both.

An individual who is a resident of a jurisdiction not eligible to compete at the Games; but who lives in a participating jurisdiction as a student, or who is there on a temporary work visa, or who is otherwise temporarily living in a participating jurisdiction; is not considered a resident of the participating jurisdiction and is therefore ineligible to compete in the Arctic Winter Games (AWG).

Age: Must be at least **twelve (12) years of age** as of December 31, 2023. Exceptional circumstances may be considered upon review and approval by the Games Committee.

Athlete: Must be a developing athlete. A developing athlete is one who has not represented one's nation in international competition (outside of an AWG) in the sport they are competing in. An athlete who has competed for one's club in international competitions (not representing one's nation) is considered a developing athlete. An athlete who is a member of one's national team but has not represented one's nation in international competition is considered a developing athlete.

Event/Rules: Must compete in one sport only and comply with all other rules and regulations as outlined in the sport technical package and the AWG staging manual.

Must meet individual sport requirements as per the technical package.

Must be members in good standing with their respective Yukon Sport Governing Body (YSGB).

Must adhere to the terms of the Team Yukon Code of Conduct.

Trials: **Athlete attendance at trials is mandatory.** Exemptions may be granted for the following reasons: injury; significant illness that can be documented with a physician's note; Yukon school program commitments; and special family circumstances (i.e., death in family, same sport competition/opportunity).

Exceptions to this rule will be permitted only upon review and approval by the Games Committee. In order for an exemption to be considered, the attached request form must be submitted to the Chef de Mission either in person at 4061 - 4th Avenue or by email to trevor.twardochleb@yukon.ca forty eight (48) hours prior to the start of the specific trial along with supporting documentation.

All trial participants will be required to register online in GEMSPRO (link to follow), as well as complete the trials waiver form prior to their specific sport trial.

If a participant is interested in trying out for two different sports, and those sports are having their specific sport trials at the same time, the participant must choose between the two sports. Conflicting trial dates and times are not grounds for trials exemption.

Participants will receive a t-shirt for their participation at trials and are also eligible to apply for a travel subsidy through the In-Territory Travel Fund at a rate of .15 per km/per individual. <https://sportyukon.com/territory-travel>

All YSGB will be given the flexibility to add up to three athletes who are outside the territory training and competing in the same sport without having them come back to Yukon to attend trials in person. The names of the potential candidates with rationale is to be provided prior to the trials.

YSGB are required to provide a final roster six (6) weeks from the date of your first trial. Trials can be held anytime between **October 1st, 2023 – January 14th, 2024**. The last day to submit final rosters for your sport is **January 22, 2024**.

Sport final rosters do not become official until they are submitted and approved by the Chef de Mission. Each YSGB will be provided with a final roster form prior to their sport trial(s). All YSGB are responsible for obtaining the signatures of all participants, coach(es), and parents/guardians so everyone is aware of their commitment to their team.

Once a participant is notified that they are on the final roster, they are not eligible to be selected to any other final roster.

Please also note that vacant spots on any team cannot be filled after the trials unless the vacancy jeopardizes team competition within the sport, such as in relays or team sports.

Post Trials: Following selection to Team Yukon, an athlete must commit to and follow a training program acceptable to their coach and the YSGB.

All athletes 18 years or older are required to submit an RCMP vulnerable sector check. Results of checks completed one year prior to the start of the Games are considered valid. The effective date is March 10, 2023.

Must have a valid passport in order to travel to Alaska, USA.
