P.O. Box 25103 Saskatoon, SK S7K 8B7

Dear Hollandia Family;

As we close the 2024-2025 soccer year, I want to take a moment to reflect on what has been another strong year for Hollandia.

This past season, Hollandia fielded teams across U7 to U19 age groups and development levels, supported by the dedication of our coaches, volunteers, and families. Our players continued to demonstrate commitment, growth, and sportsmanship, with 7 teams capturing City Championships during the indoor season, 2 teams earning City Championships during the outdoor season, and having club representation on the 3 Saskatoon Alliance teams who competed at Nationals, a testament to the quality of development happening throughout our club.

We were proud to have 658 youth participate in our programming last year, with a breakdown of 486 registrants in Indoor 2024/25 and 552 in Outdoor 2025. These numbers reflect both the strength of our community and the trust families place in Hollandia to support their players' development on and off the field. This season also marked an important transition for our club with the retirement of Percy Hoff, who concluded many years of outstanding service as Hollandia's Technical Director. Percy's impact on our club cannot be overstated. His leadership, technical expertise, and commitment to long-term player development helped shape Hollandia into the club it is today. He mentored countless coaches, guided generations of players, and established standards that will continue to influence our program for years to come. We thank Percy sincerely for his dedication and lasting legacy.

As we move forward, we are excited about the evolution of our technical leadership model. We welcomed Austin Boryski as Male Player Development Lead, Wamith Georges as Female Player Development Lead, and Char Adamus as Coach Development Lead. This structure strengthens our focus on both player and coach development and positions Hollandia well for continued growth and success.

On behalf of the Board, I would like to extend my sincere thanks to our coaches, parents, volunteers, and staff. Your time, energy and commitment to our players is the ultimate "win" for our club.

We look forward to building on this momentum as we head into the next soccer year.
