

## FINANCIAL ASSISTANCE

**PURPOSE:** To define all conditions regarding financial assistance to a player regarding registration fees and/or equipment.

Should a player/family wish to participate in one of the Hornet Lacrosse programs, but is unable to afford the expenses involved, the player/family must:

1. First contact the Executive Director advising the player/family will be applying to Kidsport;
2. Apply to Kidsport;
3. If application is accepted, and Kidsport does not cover all of the registration fees, the player/family is responsible for any outstanding fees to the Hornets.

If Kidsport proves to be unsuccessful, the player/family can then make a formal request to the Hornets Board (through the Executive Director) to apply for financial assistance for the current year.
