

COACH SECURITY CLEARANCE POLICY (MINOR AND MAJOR FEES)

Purpose: To ensure the safety and well being of players during the course of a program, by securing coaches who have a history of appropriate/desired behavior.

The Hornets seek coaches who have demonstrated history of behavior that is in concert with the ideas and coaching philosophy embraced by the Club.

As such, all coaches must:

- Complete a Coach Application and provide to the Executive Director and Coach Director;
- Permit a VSR Check to be performed on his/her history. The results of the check will be held in strict confidence, reviewed only by the Executive Director, President and Coaching Director.

Hornets will inform a coach of ineligibility should they feel that the results of the VSR Check are in conflict with the ideals held by the Club.
