

#### HORNETS COMMUNITIES:

If a player resides in any of the northwest communities, then they register with Calgary Hornets Lacrosse Association. The only exception would be players registering for the Mini-Tyke and Tyke programs. If a Tyke or Mini-Tyke aged player lives just west of 12 Mile Coulee Road, you can register that player to play with the Hornets up to the time the player reaches Novice. At that time, the player must move to their Home Club, which would be the Rockyview Rage. Any player residing in another northwest community other than the ones mentioned below, you then must register with the Knights.
