

2025- 2026 A Level Hornets Evaluation Policy

POLICY: To define the process that will be adhered to by all division levels to evaluate a player's performance for team placement, and to ensure that all athletes are evaluated in an unbiased and neutral environment.

PURPOSE: To standardize our evaluation process for the U13 through to the U17 A level of play. As our lacrosse club continues to grow, and as we become more mature in our understanding/appreciation of the skills required for play at either a competitive or recreational level, it is necessary to ensure consistency in our process and to ensure that both the athlete and parent base understand how the process works.

The Calgary Hornets Lacrosse Association ("Hornets") strives to make the evaluation process as fair as possible. It must be understood that evaluating athletes' performance is not an exact science, and a degree of subjectivity is always at play. The evaluations are governed entirely by a base of volunteers who have a varying degree of applicable lacrosse knowledge and who are encouraged to apply their best and consistent judgment of how the athletes are ranked.

To this end, the following policy elements have been developed to assist the coordinators and evaluators work through the process in a manner that achieves the best result for the athletes.

COMMUNICATION: Please be aware that everyone helping with evaluations is a volunteer. Please do not speak to evaluators. If you have any questions they can be directed to evaluationdirector@hornetslacrosse.com. If you are unhappy, please use the 24hr rule before communicating with volunteers. This is to allow a "cool off" period to ensure everyone will be treated with respect.

EVALUATION PROCESS

The criteria listed below outlines the Hornets process for evaluations for the upcoming lacrosse season.

Programming and data is being collected through a software program. This program requires the use of evaluators phones or tablets. Prior to each evaluation session, they are given strict instruction to only be using their device for evaluation purposes during on floor time. **

A TRYOUTS (U13 – U17) (see commitment letter)

**Athletes need to understand that this is the highest level of competition and therefore, selections will be made to determine the teams. **

- Dedicated floor times will be provided for athletes wishing to participate in the **A Tryouts**.
- 3 club-led sessions that will be evaluated by 3rd Party Evaluators.
- Goalies will be evaluated in the above sessions.

- Athletes should be aware that we may release players to the general evaluations throughout the process. The releases will be at the discretion of the Evaluations Committee and can be made anytime after the 2nd tryout through to Calgary District Lacrosse Association (CDLA) numbers meeting being held on March 17, 2025. The Evaluations Committee will look at the scoring data completed by third party evaluators and decide where the cut line is based on CDLA numbers for each team. The Hornets organization does not determine the size of teams. Roster sizes are between 15-18 runners, 1-2 goalies, decided by the CDLA (Calgary District Lacrosse Association)
- Scoring Athletes during A tryouts:
- Head Coach or Coaching assistant to be at each of the 3 Tryouts
- A minimum of 10 runners (but no more than 75% of roster) per division will earn a spot on the 'A' Team based on evaluation scores from the club-led sessions. The remaining spots on the roster will be determined by the Head Coach. Coaches can complete coaches' picks from any of the 3 tryouts if an athlete is eligible ****ATHLETES MUST BE AT A MINIMUM OF 2 OF THE 3 TRYOUTS TO BE ELIGIBLE FOR COACH PICK TO MAKE TOP 20 RUNNER ROSTER OR GOALIE POSITION. ****
- ****An exit evaluation was completed by each coach last season (A- Level) commitment, and part of the exit evaluation was a questionnaire to determine if an athlete was committed or not. If the coach determined they were not committed then that athlete will not have a chance to be a part of the locked-in group.****
- Locked-in players will not be eligible to be moved to B level lacrosse. No athlete or parent will know which athletes are locked in (Head coach and Evaluation Committee will know which players are locked in).
- **Once Team sizes are determined by CDLA meeting, Coaches will make appropriate Team selections based on but not limited to team dedication, effort, skill and attitude as soon as possible thereafter.**
- Scoring is based on 5 units of complexion and given a score of 1-7 on each unit.
- The average of the first 3 sessions will dictate ranking and who is locked in. Again, releases can be made at any point after a session.
- Locked in players will be determined by the total score accumulated over the 3 days. Players locked in will not be told at any point, so please be sure to make it to each session for the best opportunity to make the 'A' team.
- ****If a player misses a tryout for ANY REASON, they will be given all 3's in each unit of complexion out of 7, working out to a total score of 96 (3 score x 8 evaluators x 5 skills), thus significantly reducing their total score to obtain a locked-in spot.****
- If an athlete is injured prior to tryouts and cannot compete, they are expected to be at each of the 3 tryouts and Evaluations Committee along with the coach of that division will make a "case by case" decision. This will need to be made clear to the Evaluations Director a minimum 48 hrs prior to the start of A-level tryouts via email: evaluationdirector@hornetslacrosse.com
- If an athlete is released from the 20-runner roster, they will not need to participate in General Evaluations as they will be attending A-level pre team practices throughout the General Evaluations up until CDLA numbers meeting and final teams are selected. The athletes that are released from the final roster will be placed on a B-level team with top scores. Please take into consideration that some athletes choose not to tryout for A-level lacrosse for various reasons that could have potentially made the A team and therefore, B-level lacrosse is still great lacrosse.

Goalies: The top ranked goalie after the club-led sessions will earn a spot on the A team. A maximum of 3 goalies will be invited to the final session being run by the Head Coach(es) (including the locked in goalie). One additional goalie may be placed on the A team following that session. (This is dependent on how many goalies each age group has registered and the projected number of teams in that age group).

- Goalies that do not make 'A' Level will go through the general evaluation process to determine final team placement.

- If after numbers meeting it is determined that an additional goalie is needed, it will be given to the goalie that had the 2nd highest scoring from the 3 scoring sessions.
- Scores for the A Tryouts are used for the A Tryouts only. Players who are released from the A Tryouts will need to attend the general evaluations to be placed on the appropriate team (i.e. trying out for A does not guarantee a spot on the B team, it will need to be earned).
- As noted above, if a player is released from the 20-runner roster upon CDLA numbers meeting, they will not need to participate in general evaluations.
- **Note:** If registration numbers dictate that we must have multiple A teams in an age division, the process above will still apply, and the remaining roster spots will be filled out using the general evaluation process and creating parity teams among those players that earned a spot in the A Tryouts, as well as those players that evaluated at the top of the general evaluations. This is due to A Tryouts being conducted prior to close of registration and the CDLA Tiering Formula, which dictates how many teams we must have in each division based on how many total teams we have.

Late to Tryouts

The start of the tryout is typically 5 minutes in from start time. Players are allowed to warm up. If the coach has called the players into the huddle to start tryouts, no other Athletes are allowed onto the floor. If there is discrepancy, this will be determined by Evaluation Director or representative who will be at the gate. This is to ensure that everyone is abiding by the same rules and regulations.

Missed 'A' Tryouts

- In line with A level season commitment, 100% attendance is expected for the duration of tryouts. Any absence must be communicated to Division Coordinator a minimum of 24 hours prior to the scheduled session. THERE WILL BE NO EXCUSED ABSENCES, as explained above, a total score of 96 will be given for each missed tryout.
- Based on the policy above, we want to reiterate the importance of participating in all available tryouts.
- Athletes that have made it through the 3 tryouts and have made the 20-runner roster are strongly encouraged to make it to the rest of the preselection practices that the coaches will be running through till CDLA numbers meeting after which final team size will be determined. Coaches will be taking into consideration team commitment.

Head Coaches opinions may be taken into consideration.

Team Placement

EQUIPMENT

Players are required to wear ALL equipment including mouth guards. If they do not have all the proper and required equipment, they will not be allowed to participate in the evaluation. Pinnies/jerseys will be provided when athletes check in for each session.

EVALUATION APPEAL PROCESS

Our goal with Evaluations is to place each athlete within the proper division of skill level so that all players can be challenged and have opportunity to grow. At the conclusion of the evaluation process, should a specific

athlete's final team placement be called into question, the parent/guardian of the athlete may request an Evaluation Assignment Appeal.

- A completed 'Evaluation Assignment Appeal Form' must be completed and submitted to the Evaluation Director (evaluationdirector@hornetslacrosse.com) and the President (president@hornetslacrosse.com) NO LATER than 48 hours of notification of the player's final team assignment; appeals submitted after this time will NOT be considered.
- A \$100 fee will apply for each appeal submitted, and must be paid in full, prior to the start of the review.
- Appeals will be reviewed by the Evaluation Committee, consisting of the Evaluation Director and minimum 2 appointed board members (as determined by the Evaluation Director).
- The complainant will receive a response with the Evaluation Committee decision upon full review via email, within 24 hours upon receipt of appeal.
- Appeal may include, but does not guarantee, a scheduled meeting with the Evaluation Director and President to review the Evaluation Committee report.
- All Evaluation Committee decisions are final, and non-negotiable.

The Evaluation Assignment Appeal will consist of, but is not limited to the following:

- Full review of the evaluation process, to ensure compliance with the Evaluation Policy throughout all evaluation sessions.
- Review of evaluator score sheets.
- Review of athlete attendance, scores sheets and final ranking.
- No information will be provided for any other athlete and there will be no comparison/consideration made between other athletes.

The following will NOT be considered as valid reasons for appeal:

- Requests to play with, or not be placed, with a specific player(s) and/or coach(es).
- Previous experience or prior season team assignment.
- Placement in relation to another player(s).
- Absence, injury or illness.

Any appeal submitted for the above said reasons will be denied without review, and full forfeiture of the \$100 fee.

In the event the Evaluation Committee determines procedures inconsistent with the evaluation process resulting in the final team placement of the named athlete be overturned, \$50 of the initial fee will be reimbursed to the complainant.

- Athlete movement following an appeal will ONLY occur if it will not affect team size, and said movement is compliant with CDLA guidelines and requirements for team size.
- No athlete will be moved down a team as result of the appeal from another athlete to make room on the roster.

EVALUATION RULES AND REGULATIONS

1. Unless it is unavoidable, an evaluator will not be allowed to evaluate a division in which their child is participating. If an evaluator is required to score in a division in which their child participates, they will not be allowed to score their own child(ren).
2. Evaluators will avoid standing together and talking to each other during the evaluations.

3. Evaluators will not be allowed to discuss or compare athletes' scores with other evaluators.
4. Evaluators should refrain from talking to athletes and parents in the division he/she is evaluating before, during and after the evaluation (except for the Evaluation Committee and Division Coordinators).
5. Immediately after the floor time ends, score sheets (if required in the case of a internet issue) will be collected and validated by a member of the Evaluation Committee.

EVALUATION SPECTATOR ETIQUETTE

During your child's evaluation, we ask that parents move to the spectator viewing area (NE Genesis Centre – upper level, if available) or to wait outside the Fieldhouse area.

Please keep in mind that evaluations/tryouts can be a stressful time for your player(s). We ask that you do not speak to your player(s) during their floor time (i.e. no coaching, no cheering, etc), unless there is an emergency. Spectators who do not respect this request may be asked to leave the area until their player(s) is done with their session.

Players and spectators are also asked not to speak to the evaluators during the floor time.

It is unacceptable to speak to the evaluators or coaches about scores at any point, including prior to coach pick sessions for the A Tryouts to campaign for their player. Failure to comply could result in disciplinary action.

COMMUNICATION

All questions and concerns should be directed to your Division Coordinator (refer to our website for details). If the Division Coordinator is unable to answer your question or needs to escalate your concern, the chain of communication is follows (as appropriate):

Division Coordinator → Division Coordinator Director → Evaluation Director → Evaluation Committee → President → Full Stop

CDLA GOVERNANCE
