FINAL REGULAR SEASON STATISTICS

On behalf of the management and staff at the Hockey Super League, we would like to welcome our athletes, coaches, trainers, parents, and families to the 2022-23 season.

A new season brings both excitement and anticipation for what the year will bring. The HSL shares in those feelings, as we look to make this the best season yet, filled with cheers and triumphs, athlete development and new friendships along the way.

The Hockey Super League's core value is aiding in the development of young athletes who strive each week to increase their skill set on the ice, while growing off the ice, in the fundamentals of being good teammates and members of our society.

The key focus is on the youth of the HSL, but please be sure to know, we are proud and look forward to providing opportunities of growth to our officials and coaches who devote countless hours of their own time for the betterment of the individuals and the league. It does not go unnoticed, thank you.

As we embark on the 6th season of Hockey Super League play, we continue to pledge to do our best as an organization to continue making the HSL the number one choice for families, who support our vision of being the premier hockey development league in Western Canada.

In closing, I wish everyone nothing but the best this season. Please enjoy what is sure to be an action-packed year, full of high intensity elite level hockey and memories that will last a lifetime.

Sincerely,
