

Time keeper instructions for the Don Lough and Jack Bionda Clocks

All HGHA tournament games U11 and up will consist of 3 periods, 10-10-12 minutes stop time.

There will be a 3 minute warm up prior to each game. Set the first period to 13 minutes and begin the clock when the teams get onto the ice. The clock will not stop at the 10 minute mark but will continue until the first stoppage of the game. Teams should be ready for first face-off at the 10 minute mark.

If the goal spread at any time in the third period reaches 5 goals, the clock will run until the spread is reduced to 3 goals and then stop time will resume.

Clock instructions:

Turn on the controller using the button on the bottom right side

Use scroll profile to choose hockey.

(If the horn does not go off at the end of the first period, re-do this above set and scroll the profiles to find your sport to reset the profile_

Horn can be used independently.

Set the time:

- Set
- Time
- Yes
