

Hello Coaches:

Here is some information you will need to get prepared for the upcoming Championship Day.

1. All teams need to have one person check the team in. The check in area will be located in the skate room.
2. At check in teams will need to provide the names of their 3 shooters in the case that a shoot out is required.
3. All coaches should be aware of the rules.
4. Teams will need to send a representative to attend at the skate room to pick up their teams pizzas. It may be possible that they will be delivered to the change rooms.
5. Due to time constraints we may not be able to hand out medals on the ice (except for the 1st and 2nd placed games). We should be able to let coaches know before the start of the game if we will be able to do this on the ice or not.
6. Also due to time constraints we may mean not be able to have shoot outs in the case of a tie game (except for 1st and 2nd place game). We should be able to let coaches know before the start of the game if we will be able to do this on the ice or not.
7. For medals handed out on the ice, coaches will need to come to the penalty box area and pick up their teams medals from the volunteer.
8. For medals handed out off the ice, a volunteer will meet the coach at the changeroom door and provide them with the medals. The coaches could designate an area in the arena to hand out the medals. This area should be shared with the team prior to the game so they know where to go after their game is over.
9. Time restraints will not allow for pictures to be taken on the ice. At no time are any parents allowed on the ice (unless they are on the team roster).
