HGHA Cell Phone Policy:

We kindly remind all players, team managers, bench staff, parents, and coaches to adhere to the cell phone policy established in accordance with regulations set forth by Hockey Canada and OWHA. The use or display of cell phones or cameras within the change rooms is strictly prohibited.

We continue to ask for your cooperation. While one player may be authorized to play music, all other phones must be stowed away.

Failure to adhere to this policy will result in the following consequences:

1. If a player is found using their cell phone in the dressing room, they will be given a verbal warning for the initial violation & parents will be notified.
2. In the event of a second offense, a Violation Notice will be issued, which will be formally recorded by the league's registrar for potential reference. The player will not be allowed to bring a cell phone in the dressing room for the remainder of the season and 1-week suspension from all team activities including a minimum of 1 game.
3. In the event of a third offense, the player's cell phone will be confiscated for the duration of the practice or game by the Team Manager or Coach and the player is suspended for the remainder of the season without refund.

Team managers, bench staff, coaches & dressing room monitors reserve the right to enforce this policy as set forth by the board as well as do routine checks. Your understanding and compliance with this policy is greatly appreciated.
