

Huntsville Girls Hockey Association

c/o Canada Summit Centre
20 Park Drive, Huntsville, P1H 1PS

2025/2026 Season Sponsorship

We are reaching out to local businesses and community leaders like you to request your support through sponsorship.

The Huntsville Girls Hockey Association (HGHA) is a not-for-profit, volunteer-run organization dedicated to providing a safe, inclusive, and empowering environment for girls to develop through hockey.

Youth sports, especially girls' hockey, builds confidence, discipline, teamwork, and leadership. However, with rising costs for ice time, travel, equipment, and tournament fees, many families struggle to afford the opportunity for their daughters to play.

This is where your company can make a real difference.

We are currently seeking sponsors to help support our association. Your contribution would directly help cover costs for ice time, safe equipment, qualified referees, and support our annual tournament (which welcomes over 1,000 players and their families to Muskoka, supporting many local businesses in the process).

In return for your generosity, we offer a range of promotional benefits, including:

- Your logo on team jerseys, banners, and promotional materials
- Recognition on our website and social media platforms
- Public acknowledgment at our annual tournament
- The opportunity to support and be part of a growing movement empowering young women through sport

Sponsorship levels start at just \$100, with packages available to suit a range of budgets and brand goals.

Thank you for considering this opportunity to invest in our association and in the future of girls' hockey. If you are interested in becoming a sponsor or would like more information, please feel free to reach out:
