

Dressing Room Monitors:

Thank you for your interest in supporting your team in this role this season!

To be a dressing room monitor, you will need:

1-a Vulnerable Sector Check. This can be done online, with a letter from the HGHA saying that you will be volunteering with us this season. Both the link to the online VSC and the letter are on our website under bench staff.

2-The respect in sports for activity leader. This is an online course, and the link to complete it is on our website under bench staff.

Once you have both of those completed, you can go into registrations on our website and register yourself as staff.

Once your registration has been confirmed, you are qualified to be a dressing room monitor for the season.

Thank you so much for your time and support of the HGHA!
