### **Huntsville Girls Hockey Association 2023/24 season**

Dear Community Partner:

We'd like to introduce you to the Huntsville Sting Girls Hockey Association. We are an amazing group of enthusiastic girls who love to play competitive hockey. We are back and excited for the new season ahead hoping for your community support. Money received from Community Partners, like you, are absolutely critical in continuing development for female hockey players. Your sponsorship will assist with helping us pay for team expenses such as:

- Practice ice time
- Game ice time and referees
- Pucks
- Equipment for teams

We are seeking sponsors who will support our not-for-profit girls hockey program. Your help will allow our players to continue their pursuit to compete with skill, courage, integrity and aid in the growth of our female hockey players within our community. Sponsors benefit from this widespread advertising on our website and tournament brochures and will also receive a receipt for their contribution.

The Huntsville Girls Hockey Association is also proud to be hosting our 45th Annual Tournament January 12-14, 2024. Over the years this tournament has brought families (including coaches and players) from across the province to Muskoka. The impact to our community is huge increasing business to hotels, stores, restaurants and other establishments. *This year we have over 60 teams registered consisting of more than 1000 players, 200 coaches and over 2000 spectators).* Your sponsorship helps subsidize our not-for-profit girl's hockey program. There are different levels of sponsorship as follow:
