Please be advised that _____ will be volunteering with the Huntsville Girls Hockey Association for the 2023/24 season in a position to assist youth and will be placed in a position of trust with children and vulnerable persons. Our volunteers will have direct contact with the vulnerable sector in both on-ice and off-ice activities which include coaching hockey practices and games, dry land training, assisting with medical issues that arise playing hockey, and being a leader for the team during the season.

As a condition of this service it is a policy with the Ontario Women's Hockey Association, the governing body for the Huntsville Girls Hockey Association, that all volunteers engaging in activities with minors **MUST** obtain a **VULNERABLE SECTOR CHECK**.

Thank you for your assistance, please reach out with any questions you may have
