

Outdoor Rink/Temperature Guidelines

* Outdoor events are cancelled if the temperature is below -20C (including wind-chill).

Red Deer Pond Hockey asks that adults/parents/coaches use discretion where needed in these circumstances. On cold nights, if a player needs to warm-up, head to the shelter for a break. If everyone is getting cold, shorten the practice, if your players are little...use your discretion and cancel at a different temperature.

PLEASE communicate to your parents to stay at the practice location during these nights in case practice is cut short.

On the opposite end, if it is too warm and the ice is unsafe for use, please cancel any practices.

***While we try our best to have the outdoor events happen,
the safety of the RDPH players will always be our most important consideration.***
