4.	Old Business
	 a) Referee / Board Member Meeting Meeting was conducted with the IMHA Board member and Referee, in regard to an issue brought forward in the December 11, 2018 meeting. Issue was resolved on an informal basis, both parties were happy with the outcome and nothing further to report at this time
5.	New Business
	 a) AGLC AGLC has 19 outstanding raffle licenses with no financial reports. Currently 1 has been cleared up with the anticipation of 3 more to be cleared up soon. We will give letters with a 30-day timeline for the identified parties to resolve the outstanding issues otherwise disciplinary action could be taken. Some of the outstanding financials go back to January 2017. From here forward no one will put a raffle license in under IMHA, they will need to file for these licenses under their specific team name, so they are responsible in the future Discussed in the future as a board to have a tournament meeting at the beginning of the season with managers and tournament coordinators so everyone knows what to do. IMHA also has a handbook on the webpage that they can use as a guide which has all the required information Discussed having a tournament coordinator position on the board in the future as an option A letter will go out to all managers and tournament coordinators outlining what has happened to date and how we will proceed in the future as a board
	 b) Provincial Playdowns Atoms are in A for provincials but still could move Bantam & Midget are in B and have not moved Provincial draw should be out this week. Dan may have to juggle ice times to accommodate games
	 c) Concession Issues with the concession being closed during games Suggested that hours for the concession be posted for the weekend so people are aware. Every Friday the concession owner is emailed with the upcoming weekend schedule so they can prepare Suggested that the concession at least stay open until the start of the 3rd period. Concession has been closed Sunday evenings by 5:15pm when girl's teams have scheduled hockey games
	 d) Coach Surveys Surveys down for coaches by 53 % and managers as well were down. Some of the reasons could be holidays, the time of year, people are surveyed-out, etc. May want to look at putting out the survey's next year a bit earlier. Most surveys were positive. Age group directors should reach out to coaches to follow up on the positive and negative feedback
	 e) Eric Lodge Eric Lodge is available Thursday January 24th, 2019 for clinics. Have Novice, Atom, PeeWee and Bantam/Midget combined sessions Randy will confirm date with Eric Lodge and co-ordinate with Dan to book ice times
