

2020 Outdoor Soccer Programs - Welcome Letter

Greetings Everyone,

We would like to welcome all of our new and returning players and families to our **2020 Outdoor Soccer** programs. We are excited to return to the field and are looking forward to a great season for all our players. I have included the schedule below for you to review your training/game times. Please note that there have been a few minor adjustments to the schedule in order to allow for time between sessions. Programs are set to kick off as scheduled on Sunday July 5, practice schedules will be updated on our website at **www.jjsoccer.ca**.

WAIVERS:

SSA has updated waivers required for participation in the Outdoor 2020 Season. Please review the updated SSA waivers prior to participation, regarding Covid-19 compliance and risk. Sample copies of the waivers are available on our website [here](#). Participants previously registered are required to update their registration. Registrations received after waivers were updated on June 15 already included the new updated waivers.

*** Waivers will be emailed to participants who were previously registered for Outdoor 2020, from the Ramp system, for sign-off prior to participating in programs.**

SAFETY GUIDELINES:

Working closely with Saskatchewan Soccer and Canada Soccer, JJ Soccer's Return to Soccer Plan includes enhanced health and safety protocols to ensure the safety of our players, parents, and staff. Our local Return to Soccer Plan complies with the SSA Return to Soccer Plan, as well as provincial government recommendations. Please note that due to Covid-19 concerns, SSA safety regulations state that players may only train and play with one organization, until further notice.

*** Please [Click Here](#) to review the Return to Soccer Safety Guidelines prior to participating, also available on our website.**
