Wallball and mini-golf activities will highlight some other fun activities during the camp.

- ◆ Lunches and snacks will be provided, with individual lunch preparations for those who may have food allergies or special food requirements.
- ◆ There will be prizes and giveaways!!!
- ◆ Camp will include your certification for this coming season so you can officiate hockey games in your association. (certification itself is a cost required by BC Hockey and Hockey Canada... not included in the camp fee).
- ◆ Note: Cost for camp is broken into two parts:

Camp fee: \$300 payable in full at time of registration; with a \$50 discount for more than one family member participating. You may make your camp fee by e-transfer to payments@jdfminorhockey.com. Once paid, participation is ensured!

Hockey Canada Certification cost: *This fee is separate from the camp fee and is set by BC Hockey. This portion of the fee will be paid directly to BC Hockey once they establish a link to sign up; the link will be set up closer to camp time. If a participant has never officiated before, they must complete a short online Officiating course called hockeyU which introduces them to the fundamentals of officiating.* This fee costs \$25 and the course is accessed through your Spordle—Hisport account. Note, many associations reimburse their officials for the Certification portion after they have completed ten games.
