- ◆ Note: Cost for camp is broken into two parts:

Camp fee: \$300 must be paid at time of registration to ensure your spot; with a \$50 discount for more than one family member participating. You may make your camp fee by e-transfer to [office@jdfminorhockey.com](mailto:office@jdfminorhockey.com).

Hockey Canada Certification cost: *Hockey Canada certification is separate from the camp fee and is set by BC Hockey. This portion of the fee will be paid directly to BC Hockey once they establish a link to sign up; the link is set up closer to camp time. If a participant has never officiated before, they must complete a short online Officiating course called hockeyU which introduces them to the fundamentals of officiating.* This fee costs \$25 and the course is accessed through your Spordle—Hisport account. Note, many associations reimburse their officials for the Certification portion after they have completed ten games.
