

## Online Registration

Welcome to Juan de Fuca Minor Hockey Associations online registration for the 2022/2023 season. Before proceeding, please ensure you have read all instructions before proceeding to the registration link.

- Before you can register, please ensure you have created your family's HCR 3.0/Spordle account. This account will link all members within your household who either play, coach or volunteer within the Hockey Canada universe into one main hub. To create your account please follow the following link [My Account - Set-Up - HCR Documentation New EN - Confluence \(atlassian.net\)](#)
- Hockey Canada has now made it mandatory for all members to provide on file a copy of each player's birth certificate, passport or identification card showing full birth date. Please have one of these documents ready to be uploaded and attached to your member's profile. **Documents** tab is located on the members home page under **Overview**.
- Proof of Residency documents will now be required to be uploaded and attached to each member's registration as well. Proof of residency documents accepted can be any current utility bill or a current piece of mail but the document must show date no more than 60 days past. BC driver licenses are not accepted
- **Register an Existing Participant** – ALL returning hockey members are existing participants. If you cannot locate your child with name and birthdate please contact the office, DO NOT go back and create a new member profile.
- **'Our system detected and address change'** – If you receive this message, please select 'NO' to notify registrar and proceed.
- **U6/U7/U8/U9 Members** – BC Hockey separates each of these divisions individually by their birth year but Hockey Canada has these divisions listed as two-year programs. When you go to register you will see an option for two divisions, either U6/U7 or U8/U9. You must register for your proper division based on your members birth year.  
2017 – register in U6    2016 – register in U7    2015 – register in U8    2014 – register in U9

The final date to sign up for tryouts is July 31<sup>st</sup>, 2022. **U6-U9 and U21** members please do not select either of these options as they are not open to your division.
