

## **FEES & PAYMENT OPTIONS:**

**Registration fees are due in full by July 1<sup>st</sup>, 2019.** Payment through the online registration program at the time of registration is not available. You can start making payments to the KMHA office towards your child's registration any time after you have registered them. No player will be permitted on the ice without fees being paid in full.

**Overage (2001 birth year) players will be waitlisted based on the date they register until we know how many teams we will have in Midget Recreation.** OMAHA's policy states that teams are allowed to have 2 Overage Players on their roster. An Overage player cannot have played Rep hockey within the past 2 seasons and have to be approved by OMAHA before they can be added to a team roster. Fees for waitlisted Overage players will not be due until we can determine if there is room for them. Priority will be given to Overage Males for Midget Recreation Division teams. Overage Females will be waitlisted for participation on a Female Midget Recreation team.

Registration fee amounts can be found at the bottom of this page. **Registrations that are not paid by July 1<sup>st</sup> will be cancelled without notification.** Cancelled registrations will be subject to the late fee if re-registration occurs. Late fees do not apply to new and transferring players.
