

## **GOALTENDERS:**

KMHA reserves the right to limit the number of goaltenders per division. Registrants in Pee wee and above wishing to participate as a goaltender MUST register as a goaltender and are required to provide their own goaltending equipment. Goaltenders in Bantam and Midget are not allowed to play in any other position other than goal. **Due to the large number of goaltenders in some divisions, registrations for this position will be accepted based on the date of registration.** We will waitlist goaltenders once the registration limit is met until we are able to determine the exact number of teams. Every effort will be made to accommodate all goaltenders.
