

Kanata Baseball Association - Spectator Requirements – COVID-19 Policy

Parents, grandparents, siblings, friends, etc who wish to be a spectator at Kanata Baseball Association (KBA) sanctioned practices and games this season must follow the mandatory rules imposed on us by the province in response to the COVID-19 pandemic.

Note: As stated in the KBA Return-to-Sport (RTS) guidelines, **only 1 spectator per player is allowed to attend each baseball event** as long as the provincial outdoor gathering limit is a maximum of 100 people (current state as of July 17, 2020).

Five (5) steps MUST be completed to be a spectator at any KBA baseball event:

1. Read and agree to comply with KBA Return To Sport (RTS) guidelines found here:
<http://kanatabaseball.com/content/covid-19-return-to-sport-guidelines>

Below is an excerpt from the RTS specifically for Spectators:

Spectators

- If/when spectators are allowed, make sure to strictly follow local authorities' guidelines
 - Ensure physical distance from participants and between spectators
 - Spectators are encouraged to bring their own chairs for personal use or bring disinfectant wipes to clean the area where they sit. Municipalities and/or facility owners may or may not be cleaning bleachers on a regular basis.
 - Spectators are encouraged not to wander to other areas of the park in which the diamond is located.
2. Fill out and submit the 18+ Waiver form at OnDeck in your name (you only need to do this once – see instructions below)
 3. Fill out and submit the Covid-19 Declaration form at OnDeck in your name (you only need to do this once – see instructions below)
 4. Self-screening through <https://covid-19.ontario.ca/self-assessment/> is required by all participants, volunteers and spectators prior to attending any game, practice, meeting or other in-person team activity and any individual shall not attend if they fail the screening protocol.
 5. Use the OnDeck check-in attendance tool before / during each and every event you attend (see instructions below).

For Step 5, check-in attendance tracking needs to be completed before or during (but no later than 24 hours afterwards) each and every baseball event you attend. This is mandated by the province for the purpose of contact tracing. This can be done on your computer or on your cell phone and you can add members of your household when you fill in the check-in tracker.

On the Participant, Parents/Guardians menu page, select “Check In Attendance Tracker” as shown in Figure 7.

Fill out and submit the attendance check-in form shown in Figure 8 below for each baseball event you attend as a spectator. Note, your child's coach is looking after attendance tracking for their team's players, coaches and umpires. Attendance must be completed within 24 hours of any event for the purpose of contact tracing.
