

Amleto Greco U15BB - 2025/26

Dear Parents and Players,

My name is Amleto Greco, and I am excited to return to coach in the KGHA with the U15BB team for the upcoming season. I have coached the U18AA Ottawa Lady Sens the previous 2 seasons, and I am looking forward to bringing a high-performance perspective to the U15BB team.

Philosophy

My philosophy is to ensure players are provided a positive learning environment based around a team first mentality. Our athletes can expect to be treated fairly, treated with respect and honesty, and developed with their best interests in mind. Each player will be held accountable to themselves and their teammates with the goal of providing each the best opportunity to meet their future goals. The expectation for the coaching staff, players and parents is to be committed to a positive, fun, safe and hardworking environment. We will work as a community of KGHA teams and coaches with a focus technical skills and individual tactics, team tactics, systems, and strategies.

The coaching staff, which will be formed after the team is selected. It will be picked based on their commitment to bringing a positive and respectful attitude, enthusiasm, strong hockey knowledge, communication skills and willingness to work as a team.

Commitment

The team is expected to have three to five mandatory hockey commitments per week consisting of both on and off ice sessions. There are no set days for these commitments. Which will start in late summer.

Please expect that any day of the week could have a team related function. The expectation is that all players will be fully committed to bringing a positive attitude, strong work ethic and a desire to compete on the U15BB.
