## 16. BREAKING TIES IN THE STANDING

### 16.1. Number of goals that count in the standings.

- a. The Maximum difference (spread) between goals for and goals against that will be counted per game is seven (7) goals. Applies to all tie breaking steps below
- b. If a team forfeits a game, that team(s) shall be given the lowest position(s) amongst the tied teams. The score of a forfeited game shall be 7-0.

### 16.2. The procedures will be followed in sequence until the tie is broken, and the teams are ranked in sequence. The procedures, in most cases, will declare the team(s) in individual rankings. However, in some cases teams may be tied within the rankings (ie. in a four-way tie for first in a round robin, the procedures could place a team clearly in first, two teams tied for second/third and one team in fourth). In these cases, the procedures shall revert back to Step i) in order to break the tie between teams, within ranking positions.

### 16.3. Procedure

- a. When two (2) or more teams have an equal number of points after the completion of round robin games, the ranking of the tied teams will be determined in the following order:
  - Step 1: The teams will be ranked in order of the winner(s) of more games between each other during round robin play. The tied teams MUST have played each other, or the procedure starts with Step 5 unless one of the tied teams have beaten all other tied teams in which case that team is ranked highest, and the procedure reverts back to break the tie within the remaining ranking positions.
  - Step 2: If still tied, the teams will be ranked in order of the largest (positive) net difference between Goals FOR minus Goals AGAINST in the games between the tied teams.
  - Step 3: If still tied, the team(s) will be ranked in order of the most Goals FOR in games between the tied teams.
  - Step 4: If still tied, the teams will be ranked using the following formula in games between the tied teams:
$$\text{Goals For} + \text{Goals Against} / \text{Goals Against}$$
  - Step 5: If still tied, the teams will be ranked in order of the largest (positive) net difference between Goals FOR minus Goals AGAINST in games against all teams.
  - Step 6: If still tied, the tied teams will be ranked in order of the least total Goals AGAINST in games against all teams.
  - Step 7: If still tied, the teams will be ranked in order by applying the formula in Step 4 to all games.
  - Step 8: If still tied, the team having the fewest penalty minutes in games between the tied teams will be declared the highest position.
  - Step 9: If still tied, the team having the fewest penalty minutes in all round robin games, will be declared the highest position.
  - Step 10: If still tied, a coin toss or random draw will be used to break the tie.
