Dear BC Soccer Community,

We cordially invite BC's Youth Soccer Clubs to the 2022 Event!

The Umbro Top Rated College Soccer Invitational Tournament is a proud supporter and ambassador of Canadian youth soccer. After a two-year hiatus due to complications and restrictions caused by the Pandemic, we are excited to welcome the soccer community back to elite competition as 2022 marks the 17th anniversary of the countries largest and most successful college recruiting event.

The Umbro Top Rated Invitational is committed to excellence above all else:

- Top Rated Competition
- Top Rated Fields
- Top Rated Referees
- Top Rated Organization

Plans are well in motion to make the return to showcase soccer bigger and better than ever. Enhancements will be made to centralized venues in cluster locations to allow teams more visibility in front of college coaches. As the digital age continues to evolve, we are looking at creative ways to implement live streaming and analytics to truly raise the bar. We believe the 2022 tournaments will provide an elevated experience for all as we continue to see a huge appetite in drawing competitive teams from across the country.

Historically the showcase welcomes more than 200+ US and Canadian college coaches, who will be recruiting the top Boys & Girls U15 (2007) to U18 (2004) teams over the Victoria Day Longer weekend; May 20 – 23. All teams are guaranteed 3 games played in the GTA (Greater Toronto Area)

In addition, leading into the Showcase weekend, the Top Rated I-D Camp allows players travelling from Western Canada an opportunity to maximize their exposure on a different level. The 2-day camp held on May 18 & 19 is an intimate platform with on field instruction by US & Canadian college coaches themselves.

Lastly being held on the same weekend as the Showcase; the Top Rated Super Cup Tournament guarantees elite competition for U13 & U14 boys and girls teams. The largest youth tournament of its kind, teams will play a minimum of 3 games with an opportunity to qualify for a championship final.

We are happy to provide all BC teams registering by March 1, a \$300 discount on the entry fees to the Umbro Showcase as well as the Super Cup
