

Sponsorship Proposal – Kitchener Ringette Association

Kitchener Ringette is a not for profit organization that was established in 1967 in order to provide girls with an opportunity to participate in an on-ice organized sport. Ringette has since evolved to provide that same opportunity for boys and girls. Our organization currently hosts 150 families, and hopes to increase this amount by 20% per season.

How can you help?

Kitchener Ringette actively seeks donations and sponsorships from local companies to help us fund equipment replacement, player appreciation events and also to supplement our enrollment fees. We are currently looking for sponsorships to help cover the cost of operating our association, as well as donations towards our player appreciation event.

What is in it for you?

Your company logo will be proudly displayed on our association webpage www.kitcheneringette.com, as well as in our monthly membership newsletter. We will also post a list of all sponsors on a banner at Lions Arena.

We will also promote (insert company name) to our membership on a regular basis.

Sponsorship request

Please provide a brief description of your request:

Division	Age Group	Players Per Team	*Number of Teams	Division Sponsor \$500 per team	Single Team
