HOUSE PROGRAM BOOMING

Much to our amazement, the registration House program for the 2022 Spring Season has seen incredible growth with 50% more players this season than last spring. We are super excited to see all these soccer enthusiasts fill the fields in May. We are incredibly fortunate to have such great sponsors for the House program that would not exist without their generous support. Along with our **WONDERFUL returning sponsors** (see page 2 for a complete list), we welcome four new sponsors for this year's House program :

Lotic Environmental, Cranbrook Dodge, Williams Moving and Storage, and Giovanna Paz 2% Realty .

THANK YOU!!

VOLUNTEERS NEEDED

For the House program to run as smoothly as possible and to ensure that all players have the best time and a positive experience, we rely on volunteers. We are reaching out to our House parents to help us have a successful season. We are still looking

for coaches and managers for the House teams. The coaches will be fully supported and provided with all the materials needed to run

fun, skill building practices. The manager role is to simply help manage the teams during practice.

If you are interested, please contact :

Chuck Downie (House Chair) or

Kerstyn Etheridge (House 2nd Chair).

BOARD MESSAGE

The KEYSA Board would like to **thank all of the parents** who volunteer as coaches and managers for our soccer teams . This club exists because of our awesome volunteers!

Overall our registration numbers are above normal . We are still accepting registrations, particularly for the **older REP teams**. So, if you know any keen soccer **players U14 and over**, send them our way.

We are busy preparing for the upcoming season and what a season it is shaping up to be! We are excited to have our REP/Development teams registered for all three tournaments - we can't wait to see the players in action again.

The House program is sure to offer one **fantastic** season with record-breaking registrations numbers!

Changes are coming to the Board, so if you are interested in becoming a member or simply want to know more about us, come sit in on one of our monthly board meetings or contact us and we will be happy to answer any questions.

TECHNICAL DIRECTOR'S UPDATES

This time of year is an incredibly busy one with the change over from the Winter session to the Spring sessions. We just wrapped up the Winter Indoor season for the REP/Development teams. What a crew of incredible athletes. These players bring such energy and passion to practices and they continue to build on their skill sets that I cannot wait to see them transfer those skills on to the outdoor fields this spring. I also want to THANK all the coaches and volunteers for helping us pull off our first ever Winter REP/Development season. You have done such a great job with your groups and I'm looking forward to how this 'new' winter season for us will develop in the future and for the overall growth of the game in the Kootenays.- Will Fera

AT THE DOME

U16 /17 GIRLS - A WINNING TEAM

KEYSA's U16/17 girls 'teams hosted some friendly games at the dome on April 2 against their rivals from Nelson.

The girls were on fire and showed us yet again just how strong a team they are winning both games with final scores of 9-4 and 6-2. **Way to rock it, girls!**

Thank you to all the different user groups who have accessed the New Dawn Place for their activities over the winter months:
