KEYSA | Issue 19 | November, 2022

ROVER'S HIGHLIGHTS

As KEYSA continues through its fall break, we are proud to be offering drop-in soccer for our players to help hone their skills. This year, we are pleased to have added a new drop-in time for our younger players under the age of 12, as well as our session for U13 and older players. KEYSA believes in the principal that free play is crucial in the development of creative and innovative players, and we are happy to offer a time for our players to participate in free play.

Registration is now open for the winter indoor season for U10 through U18. Registration closes December 1st. Players will practice on either Mondays or Wednesdays with their age groups. Saturday nights will be games, using a drop-in and play style format. Times will also be dependent upon age and will be set once registration closes. This is an excellent opportunity for players to work on their skills in preparation for our outdoor season and tournaments. Visit our website for more information.
