

Code of Conduct for Players and Parents

Players/Parent, read the Code, sign at the bottom and return to your coach.

- ❖ Respect my teammates, opponents, coaches, umpires, volunteers and yourselves
- ❖ Respect the equipment: helmets, bats, back-catching gear and facilities.
- ❖ Review team rules with coaches. I will help my child to understand and follow the rules and provide a positive example.
- ❖ Talk to the coach in a positive way to learn about their teaching or if I have another concern. If it needs to go further, I will put it in writing and give it to the convener of my division. It will be dealt with as necessary by the executive.
- ❖ Recognize that coaches are not providing child care. I will not drop off my child and leave any K.W.M.B.S.A. event. I will make arrangements with another adult or talk to the coach if I need to leave.
- ❖ Remember that coaches are volunteers who try their best. Let's work together. When possible I will help and share ideas with the coach.
- ❖ Have fun, make some new friends and show sportsmanship.
- ❖ Lets' Play ball and have a great season!
