

2026 Season Evaluation Information

Thank you for your interest in our upcoming evaluations for our programs for the 2026 season. Currently we are running evaluations for our 'A' teams in late August, our 'B' teams will follow later in the year and our Matrix teams evaluations will begin early in 2026.

FAQ:

1. Do I have to pay for tryouts multiple times?

No, you only pay for one evaluation, if you try out for an 'A' team and do not earn a spot, you are welcome to register for our 'B' evaluations at no cost (you'll be asked when you register). If you only attend 'B' evaluations you are required to pay at that time for your evaluation.

2. Are there evaluation fees for the Matrix teams?

No, there are no fees for the Matrix team evaluations at this time.

3. If I try out for A and or B and don't make it and don't want to try out further do I get my money back?

Unfortunately no, all try out fees are non refundable and non transferable.

4. When are try outs held?

A are held late August
B later in 2025
C/D early 2026

5. If you end up having a ladies/Alumni team will there be try outs?

That is TBD based on interest, numbers, etc.

If you have any questions about evaluations please direct them to the any of the following LMSA board members:
