Criminal Record Check and Vulnerable Sector Check

- Declaration Form -

In lieu of volunteers in the Lacombe Minor Baseball Association (LMBA) providing an updated Criminal Record Check and Vulnerable Sector Check annually, this Declaration will alleviate the need for annual checks so that new checks will only be required every three (3) years in the absence of a change of status being reported.

I, _____, (Print Name – First & Last) declare that I will immediately advise the Lacombe Minor Baseball Association of any change in the status of matters (under investigation, pending or convicted) since the last Criminal Record Check and Vulnerable Sector Check that I submitted to the LMBA, or since the last Declaration I submitted to the LMBA.

Please check the appropriate Declaration below:

_____ There have been no Criminal Record or Vulnerable Sector investigations, offences or charges (pending or convicted) since my last Criminal Record Check or Vulnerable Sector Check or Declaration was submitted to the LMBA.

_____ All Criminal Record or Vulnerable Sector investigations, offences or charges (pending or convicted) since my last Criminal Record Check and Vulnerable Sector Check or Declaration was submitted to the LMB, have been reported to and discussed with the LMBA Executive.
