

## CW M15AA Panthers Player Movement

### Registration/Transfer/Tryout Permission Clarifications Question:

All documentation relating to tryout permission is geared toward elite or AA tryouts; all player movement forms reference elite or AA. The minor hockey player movement request document outlines an option for "movement to an MHA of higher Categorization"; based on Hockey Alberta's recommendation, would the movement to an MHA of higher categorization be the simplest way to conduct player movement in this instance?

### **Answer:**

To answer your question on Player Movement, the Minor Hockey Player Movement Form would be the form that would be used by players looking to tryout with the Centre West Panthers. With that said, the player movement would fall under the reason "I would like to apply for an exception to register in another MHA (if so, please provide letter outlining reasons)", which includes movement to an MHA of a higher categorization as you have stated. Hope that answers your question.

### To Summarize:

Because the M15AA team is not considered part of the Elite Stream or AA Model, a Minor Hockey Player Movement Form is required for tryout and permanent transfer, checking off "***I would like to apply for an exception to register in another MHA (if so, please provide letter outlining reasons)***", attaching a letter to explain the movement request reasoning. Note: There is no tryout form for Midget 15 AA Hockey.
