Evaluated Skills: Skating, puck handling, shot, hockey sense, work ethic, defensive play and body contact

Teams are tiered at this level. Players will be evaluated by position (forward or defense). Please note that because some of our players are trying out elsewhere the teams will not be finalized until players have come back and have had a minimum of two ice sessions. Spots need to be reserved for players making it to late cuts at higher levels elsewhere (AAA).

Team Selection - 50% Evaluators rankings / 50% Coaches selections

It will be the goal of the evaluation team to first choose the highest level team and proceed down from this point. The evaluation team must select the coach's son or daughter for the team prior to the coach making any final decisions. If the coach's son or daughter remains within the last 50% selected then the evaluation team will decide if the player in question will make the team.

If coach is named after to evaluations they will choose the remaining 50% of the team after the evaluations numbers have selected the top 50% of the forwards/defense. The director will provide the head coach with a small list of eligible names for coaches selection. If a coach has been named prior to evaluations the team will be selected by the director, coach, and evaluators collectively.

The top evaluated goalie will be selected to the highest available team. The remaining goalies will be selected by the coach's picks. The coaches 50% selections will be brought before the Director and President before the final selections are announced to ensure that the coach selections are justified and reasonable. Please note that because some of our players are trying out elsewhere the teams will not be decided until players have come back and have had a minimum of two ice sessions. Spots need to be reserved for players making it to late cuts at higher levels elsewhere (AAA).
