**Pee Wee C Team**

- The PeeWee C Team is down to ten skaters. The coach, Lloyd Ogilvie, is confident he can still manage a team this small. They will use their affiliates. Plan is to affiliate the Atom A team with the exception of the top three players.
- PeeWee A will affiliate from the PeeWee B team.
- If you are playing an affiliated player, please ensure they are affiliated properly before playing. Please check with Lin Luymes on all affiliations.

**Midget Ghost Team**

- There has been a ghost team created in the Midget division. The A team has had a meeting with the director, Les Richardson and knows how it is to work.
- AA team has 19 players. A team has 22 players with 2 goalies.
- There is only allowed 19 skaters to a team. So another team with 10/11 players is created as a ghost team. They will practice with the A team and rotate 3 players sitting on alternate games.
- The alternative to this was to send the last 3 kids home or to another association. And with players being hurt, having suspensions or on vacations, we think this alternative will work.
- Questions arose regarding who will make the decision on who sits and who plays. There is also the question on commitment levels of the player and those decisions will be left to the coach of the team.
