The ice has been removed from both arenas thus calling our season to an end. The Executive met yesterday to discuss refunds to LMH families and we have come up with a 60% refund. Our net loss this season will be 35 000.00 eating up over half of the associations in case of emergency reserve (we should have approximately 30 000.00 left in our savings account).

On Saturday, February 6, 2021 the Alberta Government made a sudden change to their ruling regarding organized indoor sports, however, the ice in the arena had already been removed four days prior. Sara Wilson and Agnes Yzerman proposed that we contact the LMH families to see how many players would be interested in returning to hockey in a practice only/limited ice time format. If we have a strong interest (minimum 75%) for this proposal Lori will approach the city Monday morning. If we do go back on the ice there will be no 60% refund regardless if you go back on the ice or not. Families must be contacted today and must reply back by 8:00pm. Alison will draft up an email and it will be sent to the parents this afternoon. The poll results will be sent to the executive and they will decide to proceed or not.

Lori McCrea moved that we adjourn the meeting at 11:47 am. Nicole Antsey seconded.
