Lake Cowichan & District Minor Baseball Association is inviting local businesses to consider an exciting opportunity to advertise with us through our **Fence Advertising Program**. As you may know, LCDMBA is dedicated to providing a fun and safe environment for young athletes to develop their baseball skills, build friendships, and grow as individuals.

By advertising with us, your business will not only support our mission, but also reach a wide audience of families and community members who are passionate about youth sports and supporting local business ventures.

Program Summary:

- The annual fee of \$300 to post a 4' x 8' advertisement on the Little League outfield fence goes directly to support LCDMBA's programming for kids aged 4-18.
- Businesses can choose to use any sign manufacturer they want, but we have worked closely with Leon Signs in Duncan for this campaign and highly recommend them.
 - Signs will be paid for by your business and will remain your property if you choose to discontinue advertising with LCDMBA.
 - Specifications required for the sign as follows:
 - 4'x8' Print/laminate applied to 10mil coroplast w/grommets
 - This should offer a 4-5 year life span for the sign.

Thank you for carefully considering this opportunity to invest in the young people of the Cowichan Lake area, and to help ensure the future of minor baseball in our community.

I look forward to hearing from you to discuss the possibility of your business partnering with LCDMBA! Please don't hesitate to contact me if you require further information.
