## NEW TO HOCKEY?

***This information applies to ALL players (any age) who are new to hockey.***

- **LCDMHA is not a 'Learn to Skate' program.**
- Players MUST be able and willing to, while wearing full hockey gear
  - stand and move on the ice, and;
  - get themselves back to standing after they fall.

*Success at this can often be more difficult when the skater is wearing full gear.*

*This fundamental skill must be practiced prior to the first practice in September!*

- Participation in a 'Learn to Skate' program or regular public skate opportunities are STRONGLY ENCOURAGED by LCDMHA.
  - Cowichan Lake Recreation has several public skate options & hockey skills programs starting in mid-August. [CVRD - Cowichan Lake Recreation Program Guide Spring-Summer 2025](#)
- **If, after 2-3 practices**, it is evident that a player is not able and/or willing to stand, move and right themselves on the ice while wearing full gear - the team's Head Coach and/or Manager will have a conversation with the parents to discuss whether or not the player is ready to participate in minor hockey.
- **Required Equipment:** Please visit our website, under the '[PARENTS](#)' tab for a list of required equipment for every player to have prior to participating on the ice.
