## NEW TO HOCKEY?

***This information applies to ALL participants (any age) who are new to hockey.***

- **LCDMHA is not a 'Learn to Skate' program.**
- Participants **MUST** be able and willing to, while wearing full hockey gear
  - stand and move on the ice, and;
  - get themselves back to standing after they fall.

*Success at this can often be more difficult when the skater is wearing full gear.*

*This fundamental skill must be practiced prior to the first practice in September!*

- Participation in a 'Learn to Skate' program or regular public skate opportunities are **STRONGLY ENCOURAGED** by LCDMHA.
  - *Cowichan Lake Recreation has several public skate options until mid-May, then starting again in mid-August. [CVRD - Cowichan Lake Recreation](#)*
- **If, after 2-3 practices**, it is evident that a player is not able and willing to stand, move and right themselves on the ice while wearing full gear - the team's Head Coach will have a conversation with the parents to discuss whether or not the player is ready to participate on a team.
- **Required Equipment:** Please visit our website, under the '**RESOURCES**' tab for a list of required equipment for every player to have prior to participating on the ice.
