RAMP Team App, stay connected to your team with our new app! An easy to use, simple tool to manage your event schedules, RSVP, communicate and share your moments. After you purchase a subscription, there are 2 ways to start getting the app to your players and staff.

1. You can start entering players and staff with an email address, this will automatically email them instructions to get the app and signup/login.
2. The public can download the app, search for your team and request to be a member of your team. In this case, you are required to approve them under "Member Access" before they can use the app with your team. There are 3 different roles in which you can approve a member:
 - Team Member/Parent: This role allows the user to RSVP to Events/Games/Practices, Chat, Share Photos and Videos.
 - If you already have players and staff entered with email addresses, they have been automatically emailed with the information to download and sign/login on the app.
 - Coach/Mgr: This role allows the user to RSVP for all team members from within the app as well as the ability to Send Event Notifications, and includes all functionality of the Team Member/Parent Role.
 - Fan: This role allows the user to see (not rsvp) all Events/Games/Practices, Chat, Share Photos and Videos.
